# THE 2019 PRIME MINISTER'S PRIZES FOR SCIENCE

**Do you know an inspiring scientist, innovator, or science, maths or technology teacher?**

**Nominate them for the 2019 Prime Minister's Prizes for Science.**

There are seven prizes recognising achievement across a range of disciplines and career stages. Recipients will share \$750 000 in prize money.

## **Nominating is easy!**

1. Decide who you will nominate.
2. Get their OK (and their CV).
3. Write 500 words about their achievement.
4. Identify two supporters.
5. Identify three referees (for non-teaching prizes).
6. Fill out the nomination form and hit submit.

We welcome nominations that reflect and celebrate the diversity of Australia's science, innovation and teaching communities.

**Nominations open 6 February and close 12 March 2019.**

Go to [industry.gov.au/pmscienceprizes](http://industry.gov.au/pmscienceprizes) to find out more and submit your nomination.
