Hi s22

In regards to the Freedom of Information request by s11C(1)(a) there is no correspondence associated with the attached retweet from either ministerial officers or the department.

I made the decision to retweet at the time because it looked like a fun and informative fact. Given sensitivities that have since developed around the mining conference in Sydney, I have deemed it sensitive and have removed the retweet from @IndustryGovAu. Please note our @IndustryGovAu account has written: RT's (Retweets) are not an endorsement.

@Resources Twitter run by s22 has also shared the tweet and I will be advising s22 to remove the tweet for the above reasons.

Please let me know what needs to be formally done to finalise this request.

Warm regards,

s22
