Electorate	MP Name	MP Salutation	Status	Status Date	Organisation	Conflicts of Interest	Describe the COI	Detail How Managed
FADDEN	Hon Stuart Robert MP	the Hon. Stuart Robert MP	Approved	29/11/2017 16:50	U3A NORTH GOLD COAST INC	Yes	In the creation of my community consultation committee I invited s47F who is the current President of the University of the 3rd Age (U3A) North Gold Coast, to join. s47F ties to the local community made him an obvious choice for the committee.s47F accepted my invitation. When applications begun to be submitted to the office for the committee to consider, an application from U3A was submitted from their Treasurer.	My committee was comprised of three representatives from the local community. As the committee identified potential projects in my electorate, U3A made an application. At this time s47F did not partake in U3A's consideration for funding through the SCP, instead its consideration was provided by the other two committee members, who found that it should receive an official invitation to apply for funding based on the merits of the project and meeting the programme criteria.
