s22

s22 2:10 PM:

By the way, the guidelines state that the escalation point is the "Head of Division AusIndustry – Innovation Programs "

I assume that means s22 are you happy if i go back to s47F advising i have escalated to the Incubator Support Program Manager, who will escalate it to the Head of Division?

s22 2:13 PM:

Also, if s47F does call me s47F I am now uncomfortable talking to s47F given s47F

s47F Are you ok for me to tell s47F to put future correspondence in writing?

s22 2:19 PM:

Just say you have sent it to program management and we will review the complaint and escalate as necessary.. We need to read through this and we will probably have s22 call s47F later in the week or next week.
