Part B – REMUNERATION

Classification Structure
B1. This Agreement contains the Department’s Designations, including broadbanding and pay arrangements as specified in the Schedules to the Agreement. Employees will be paid by reference to their relevant Designation. The Department’s Designations correspond to the APS Classification Structure as set out in the Schedules.

Progression to a Higher Designation
B2. An employee may progress through a firm barrier to a higher designation within a Broadband, where the Secretary has determined:

- there is sufficient ongoing work available at the higher designation: and
- the employee has achieved a performance level of at least ‘Fully Effective’ over the preceding performance assessment period; and
- the employee has demonstrated the necessary skill and proficiencies to perform the more complex work of the higher designation.

B3. Further guidance on progression between designations is provided in the Guidelines on Progression to Higher Designation.

Training Classifications
B4. The Department will continue to make employment available under the Training Classifications provided for under the Public Service Classification Rules 2000.

B5. Conditions for Training Classifications, including the Graduate Program, (e.g. mandatory entry level requirements, accelerated advancement points, prescribed training programs, trainee evaluation and completion criteria for training programs or courses and placement upon successful completion of the traineeship), will be set out in the relevant policies.

Supported Wages Scheme
B6. The Supported Wages Scheme will be administered in accordance with Schedule 3.

Payment of Salary
B7. Employees will be paid fortnightly.

B8. The fortnightly rate of pay will be ascertained by applying the following formula:

Fortnightly pay = Annual Salary x 12 ÷ 313

Setting Salary, including on Engagement, Promotion and Movement
B9. Upon engagement, promotion or movement at level within the APS or from another Commonwealth agency, the salary payable will be the lowest pay point applicable to the designation, except:

a) where the Secretary authorises payment of higher salary at a higher pay point applicable to the designation, subject to any specified qualification or advancement barrier, where the experience, qualifications and skills of the employee warrant payment of salary above the lowest pay point;

b) for employees on movement at level, the salary payable within the relevant designation will be equal to the next highest pay point salary previously received by the employee at the equivalent classification;

c) for employees on promotion or movement at level whose previous salary for the relevant classification exceeds the highest pay point for that designation, the employee’s salary
will be maintained until absorbed by future pay increases in the maximum salary rate for the designation; or

d) where an employee agrees to be assigned duties at a lower designation level, the employee's salary will be paid at the highest pay point for the lower designation.

**B10.** This clause B10 applies only to AAO employees who were covered by the One Innovation Enterprise Agreement 2011 immediately prior to the commencement of this Agreement:

a) Upon promotion to a higher designation, an employee will transition into the Science & Technical Stream set out at clause S1.5 of Schedule 1.

b) The employee's salary will be set at the next highest pay point to the employee's salary prior to promotion, but will not exceed the highest pay point for the employee's new designation.

c) Once the employee has transitioned into the Science & Technical Stream, this clause B10 will cease to apply to the employee.

**Salary Translation and Increases**

**B11.** Provisions in this Agreement relating to salary and related matters are set out in the schedules of this Agreement. The salary rates for AAO employees set out at S1.5 of Schedule 1 to this Agreement apply only to AAO employees covered by clauses B10.

**B12.** Upon commencement of this Agreement, an employee's salary will be the salary that was payable to the employee under the One Innovation Enterprise Agreement 2011 immediately before the commencement of this Agreement.

**B13.** If, upon commencement of this Agreement, an employee's salary is below the minimum for the employee's designation as set out in Schedule 1, the employee's salary will be increased to the minimum pay point for that designation, subject to an employee receiving an assessment of at least Fully Effective in the performance assessment (whether a full or mid-cycle assessment) preceding the commencement of the agreement.

**B14.** This Agreement removes certain designations set out in the One Innovation Enterprise Agreement 2011. The table at S1.2 of Schedule 1 demonstrates the new designation of employees affected by the removal of designations.

**B15.** This clause B15 applies only to employees affected by the removal of designations as demonstrated at the table at S1.2 of Schedule 1:

a) Upon commencement of this Agreement, an employee's salary will be set at the next highest pay point to the employee's salary under the One Innovation Enterprise Agreement 2011, subject to an employee receiving an assessment of at least Fully Effective in the performance assessment (whether a full or mid-cycle assessment) preceding the commencement of the agreement;

b) If, upon commencement of this Agreement, an employee's salary under the One Innovation Enterprise Agreement 2011 is higher than the highest pay point for the employee's new designation, the employee's salary will be maintained until absorbed by future pay increases to the highest pay point for the employee's designation.

**Salary increases**

**B16.** Clauses B16 to B17 apply to employees, other than AAO employees to whom clause B10 applies.

**B17.** Subject to an employee receiving an assessment of at least Fully Effective in the performance assessment (whether a full year or mid-cycle assessment) preceding the dates set out below, the employee's salary will be increased by:

- 3% upon commencement of this Agreement;
- 2% 12 months after commencement of this Agreement; and
- 1% 24 months after commencement of this Agreement.
For the avoidance of doubt, if an employee does not receive an assessment of at least Fully Effective, this may result in the employee’s salary being less than the minimum pay point set out for the employee’s classification in Schedule 1.

B18. The increases set out in clause B17 above will not operate to increase an employee’s salary higher than the maximum amount specified in Schedule 1 for the employee’s designation for the relevant year.

**Salary Advancement within a Designation**

B19. Salary advancement will occur on 1 July 2016, 1 July 2017 and 1 July 2018, based on the outcomes of the preceding annual Performance Planning and Review period.

B20. The Secretary may, at any time, determine that an employee will be paid salary at a higher pay point for the employee’s designation.

**Superannuation**

B21. Where an employee is ineligible to join the Commonwealth’s Defined Benefit Schemes (CSS or PSS (defined benefit) the Department will maintain the rate of employer contributions at 15.4% for the life of this Agreement regardless of the employee’s choice of fund.

B22. The Department may choose to limit superannuation choice on the basis of funds that allow employee and/or employer contributions to be paid by electronic funds transfer.

B23. Except for members of defined benefits schemes the salary for superannuation will be the employee’s ordinary time earnings within the meaning of the Superannuation Guarantee (Administration) Act 1992.

B24. Where continued membership of an existing defined benefits superannuation scheme is available to an employee who accepted employment with NMI on 1 July 2010 as part of the establishment of the national trade measurement system, and the employee elects to continue their membership of that fund, the Department will contribute the employer contribution rate determined by the relevant fund.

**Salary Packaging**

B25. All employees will have access to salary packaging provisions on a salary sacrifice basis, in accordance with the Department’s guidelines. Employees will have the option of electing to take nominated benefits in lieu of their salary. The principal basis on which the benefits are accessible is that the total cost to the Department of payment of the benefit (including any changes to the Department’s taxation liability) is to be equivalent to the total cost to the Department of the salary sacrificed.

B26. The employee’s rate of salary specified in Schedule 1 will be salary for all purposes. Participation in the salary packaging arrangements will not affect an employee’s salary for any purposes under this Agreement or an employee’s salary for superannuation purposes.

**Casual and Designated Hours Employees**

B27. Casual employees will be paid an hourly rate (Ordinary Time Rate), based on the annual base salary rate for the employee’s designation as set out in the Schedules. In addition, casual employees will receive a salary loading of 25% in lieu of public holidays they are not rostered to work, and all paid leave entitlements, other than long service leave. Such employees will accrue long service leave in accordance with the Long Service Leave (Commonwealth Employees) Act 1976. The 25% loading is calculated on the Ordinary Time Rate.

B28. Casual employees may be rostered to work Monday to Sunday and will be paid for a minimum of 2 hours on each day the employee is rostered to work. Where there is insufficient work for the rostered period and the employee is directed to leave work, the
employee will receive payment for the full period for which the employee had been rostered to work.

**B29.** Where a casual employee is requested to attend the workplace on a day they are not rostered to work (e.g. for training or staff meeting), the employee will be paid as though they were on duty for the period of their attendance.

**B30.** Clauses B70 to B93 (inclusive), D36 to D38 (inclusive), and E5 to E16 (inclusive) do not apply to casual employees.

**Casual employees other than Questacon employees**

**B31.** Clauses B31 to B33 (inclusive) apply to casual employees other than casual Questacon employees.

**B32.** Work will be overtime for casual employees if the work is performed:

a) upon direction, Monday to Friday, outside the hours of 7:00 am and 7:00 pm;

b) on a Saturday, Sunday or Public Holiday; or

c) in excess of 37.5 hours per week.

**B33.** Where an employee works overtime, the employee will be paid (in addition to the loading under clause B27) an additional salary loading of:

- Monday to Saturday, first three hours – 25% of their Ordinary Time Rate;
- Monday to Saturday, after three hours – 75% of their Ordinary Time Rate;
- Sunday – 75% of their Ordinary Time Rate;
- Public Holiday – 125% of their Ordinary Time Rate.

**Casual Questacon employees**

**B34.** Clauses B34 to B39 (inclusive) apply only to casual Questacon employees.

**B35.** In addition to the loading under clause B27, casual and designated hours employees will receive an additional salary loading of:

- 75% of their Ordinary Time Rate in respect of time worked on Saturday or Sunday (excluding Public Holidays); and
- 125% of their Ordinary Time Rate in respect of time worked on Public Holidays.

**B36.** Work will be overtime for a casual Questacon employee if the work is performed:

a) on any day beyond the employee’s normal rostered hours of duty on that day; or

b) in excess of 37.5 hours per week or an average of 37.5 hours per week over a cycle of shifts.

**B37.** The penalty rates set out in clause B35 are not paid for overtime.

**B38.** Where an employee works overtime, the employee will be paid (in addition to the loading under clause B27) an additional salary loading of:

- Monday to Saturday, first three hours – 25% of their Ordinary Time Rate;
- Monday to Saturday, after three hours – 75% of their Ordinary Time Rate;
- Sunday – 75% of their Ordinary Time Rate;
- Public Holiday – 125% of their Ordinary Time Rate.

**B39.** Questacon’s ‘public facing’ employees will be entitled to a 15 minute paid break every 4 hours. A Questacon ‘public facing’ casual employee who is rostered for 5 hours or more will be required to take an additional unpaid 30 minute break.

**Higher Duties Allowance**

**B40.** An employee may be assigned to temporarily perform duties at a higher designation level.
B41. Where the period of work at a higher designation (in one or more positions) is expected to be a continuous period of 2 weeks or more (whether or not that expectation is realised), higher duties allowance will be payable for the entire period worked at the higher level, from commencement of the period, excluding Questacon’s ‘public facing’ employees, who will receive higher duties allowance in respect of any period during which the employee is assigned to perform the duties of a higher designation.

B42. Where the period of work is not expected to be for 2 weeks or more, but for whatever reason does extend to 2 weeks or more, higher duties allowance will be payable for the entire period worked at the higher level, backdated to commencement of the period.

B43. An employee who is assigned to perform all the duties of a higher designation will be paid at the minimum salary point for the higher designation unless the Secretary determines otherwise.

B44. Where an employee is assigned to temporarily perform part of the duties of a higher designation, the Secretary may determine the amount of higher duties allowance payable.

B45. Any higher duties that will be performed for a period of 12 months or more will be subject to a merit selection process. More detailed guidance on selection processes is available in the Department’s Recruitment, Selection and Engagement Policy and Procedures.

B48. Where an employee, excluding a Questacon ‘Public Facing’ casual employee, is appointed as a First Aid Officer, and the employee continues to demonstrate skills, knowledge and commitment to their role, a First Aid Officer Allowance will be paid in accordance with the required qualification. Casual employees will be entitled to claim the subsidy following each 12 month period of service.

B56. More detailed guidance on the subsidy is available in the Department’s Health Related Lifestyle Expenses Policy and Procedures.

a) service in the Department: or

b) Government service as defined in s10 of the Long Service Leave (Commonwealth Employees) Act 1976; or

c) service with a Commonwealth body (other than service with a Joint Commonwealth-State body corporate) in which the Commonwealth has a controlling interest which is recognised for Long Service Leave purposes;

d) service with the Australian Defence Forces; or

e) APS service immediately preceding deemed resignation under repealed s49 of the Public Service Act 1922, if the service has not previously been recognised for severance pay purposes; or

f) service in another organisation where an employee moved from the APS to that organisation with a transfer of function or where an employee engaged by the organisation on work within a function is engaged in the APS as a result of the transfer of that function to the APS and such service is recognised for Long Service Leave purposes.

F20. For earlier periods of service to count, there must be no breaks between the periods of service except where:

a) the break in service is less than 1 month and occurs where an offer of employment with the new employer was made and accepted by the employee before ceasing employment with the preceding employer; or

b) an employee resigned from the APS on marriage under the repealed s49 of the Public Service Act 1922.

Service Not to Count for Severance Pay Purposes

F21. Any period of service which ceased pursuant to s29(3) or 29(4) of the Public Service Act 1999 or the equivalent previous provisions of the superseded Public Service Act 1922, or an
equivalent provision under other Commonwealth legislation, including termination with the payment of a redundancy benefit or similar payment or an employer financed retirement benefit, will not count as service for severance pay purposes.

F22. Absences from duty which do not count as service for Long Service Leave purposes will not count as service for severance pay purposes.

Redeployment

Redeployment Period

F23. The intention of the redeployment period is to enable excess employees to be reassigned within the APS or to find other suitable employment. Consistent with this intention, during the redeployment period:

a) the Department will continue to provide and resource career transition services and support, and take all reasonable steps to move an excess employee to a suitable vacancy, including to another agency, and to support placements outside the APS consistent with this Agreement; and

b) employees will take all reasonable steps to secure permanent re-assignment or placement.

Redeployment Services

F24. The following provisions will apply to potentially excess and excess employees:

a) the employee can access up to $5000 for payment of external redeployment services or training opportunities that would be expected to enhance the employment prospects of employees. The Secretary may approve a higher amount having regard for the particular circumstances of the excess employee; and

b) the employees will be considered first and in isolation from, and not in competition with, other applicants who are not excess for an advertised vacancy to which the employee seeks transfer but only at or below the employee’s level; and

c) suitable trial placements in another organisation including private sector organisations will be funded for up to 3 months where there is an identifiable opportunity for permanent placement and no job swap arrangement is involved. An individual employee may undertake more than one trial placement; and

d) if a suitable vacancy does not exist at the same level within the Department, the Secretary may reassign the employee to a job with a lower classification. If this occurs, the employee will be entitled to income maintenance during the redeployment period to maintain their level of salary.

Leave and Expenses to Seek Employment

F25. An employee will be entitled to reasonable paid leave to attend necessary employment interviews, from the date the employee is an excess employee.

F26. Where expenses to attend interviews are not met by the prospective employer, the employee will be entitled to reasonable travel and incidental expenses incurred.

Leave during Redeployment Period

F27. The Secretary will extend the redeployment period for absence on leave for personal illness or injury that is supported by appropriate evidence or Paid or Unpaid Maternity Leave under the Maternity Leave (Commonwealth Employees) Act 1973 including the additional two weeks of paid leave provided under Clause D21 during the redeployment period where the period of absence exceeds one week. The redeployment period will not be extended for other absences except where the Secretary considers there were compelling reasons for taking such leave and the employee’s ability to participate in the re-assignment process has been significantly affected by the absence.
Moving Household
F28. Where it is necessary as a result of assignment or reduction in classification for an excess employee to move the employee’s household to a new locality, the employee will be entitled to reasonable expenses.

Involuntary Termination after Unsuccessful Reassignment
F29. The employment of excess employees who have not been reassigned at the end of the redeployment period may have their employment terminated without their consent. Termination of employment will take effect at the end of the redeployment period, including any extension of the redeployment period consistent with the paragraph above.
F30. An employee whose employment is to be involuntarily terminated after unsuccessful reassignment will be provided with relevant financial information at the time the Secretary issues the ‘notice of termination’.
F31. In deciding whether to terminate the employment of an excess employee, the Secretary will take account of any re-assignment process that may be in progress.
F32. Where an excess employee’s employment is terminated during or at the end of the redeployment period they will be paid redundancy pay in accordance with the National Employment Standards.

Notice of Termination (i.e. notice periods)
F33. An employee’s employment is terminated by the Secretary giving the employee a notice of termination under s29 of the Public Service Act 1999 on the grounds that the employee is excess to the requirements of the Agency. The notice period is:
   a) 5 weeks—if the employee is at least 45 years old and has at least 5 years’ continuous service; or
   b) 4 weeks—in any other case.
F34. The Secretary may terminate the employment of an employee before the end of the notice period. If this occurs, a payment in lieu of notice must be made of the amount of salary which the employee would have received had the employee worked until the end of the notice period.
F35. In situations where an employee’s employment is to be terminated at the end of a redeployment period the period of notice will as far as practicable be concurrent with the redeployment period.

Reduction in Classification
F36. Where the Secretary proposes to reduce an excess employee’s classification, the employee will be given no less than one months’ notice of the reduction in classification.
F37. Where an excess employee’s classification is reduced, the employee’s salary immediately preceding the date of reduction will be maintained for the unexpired portion of the redeployment period.

Reviews
F38. Rights of review against the giving of notice of reduction in classification are described in the Review of Actions Policy. Rights of review against the giving of notice of retrenchment will be in accordance with the termination of employment provisions of the Fair Work Act 2009.

Agreement Not to Prevent Other Action
F39. Nothing in these provisions will prevent the reduction in classification of an employee, or the termination of an employee’s employment as a result of action under the provisions of the Public Service Act 1999 relating to breaches of the Code of Conduct, physical or mental
incapacity where this impacts on the employee’s ability to perform the inherent requirements of their job, unsatisfactory or non-performance of duties, or loss of essential qualifications.

Science and Technical Stream Roles

S1.5.2 The Secretary will determine roles to be incorporated into the Science and Technical Stream using the following definition:

Roles included in the science and technology stream are those where the Secretary determines that the function of the position requires:

   a) a formal qualification in science or engineering at the degree level or higher; or
   b) a technical qualification at Certificate IV level or higher, and/or registration by a State or Territory to work in a trade; or
   c) other qualifications, knowledge or experience determined by the Secretary.

To satisfy this definition the work undertaken must either wholly or to a substantial and demonstrable extent be directly undertaking or supporting the conduct of scientific activities related to research, analysis, regulation or education. This would not normally include roles that predominantly undertake administrative, policy or program delivery functions in support of or related to scientific activities.
S1.6 Trade Measurement Stream

S1.6.1 Progression of an Assistant Trade Measurement Officer (ATMO) to Trade Measurement Officer (TMO) will be in accordance with the Prescribed Qualification requirements for appointment as a Trade Measurement Inspector under the National Trade Measurement Regulations, 2009.

</table>

The allowance provided above shall be paid to an employee absent on paid leave (e.g. Recreation Leave, Personal/Carer’s Leave, Long Service Leave), but shall not be paid during periods of leave without pay. Part-time employees are entitled to a pro-rata payment of the allowance.

Employees who take up duty with NMI in Alice Springs, Cairns, Darwin, Rockhampton or Townsville in circumstances other than those described above will not be entitled to receive these provisions. Where an employee is to be relocated to one of the special regions, relocation assistance may be provided on a case by case basis as per the Department’s Relocation Policy.

Special regional conditions, including the provisions above, may be reviewed and adjusted by the Secretary from time to time. Any such review will not diminish an employee’s entitlement under this Agreement.
S2.2 AAO Employees

AAO Shiftwork Arrangements

S2.2.1. An employee will be considered a shiftworker if rostered to perform ordinary duty outside the bandwidth for ordinary hours of 7.00am to 7.00pm, Monday to Friday, and/or on a Saturday, Sunday or public holiday for an ongoing or fixed period.

S2.2.2. Except at the regular change-over of shifts, an employee may not work more than one shift in each 24 hours.

S2.2.3. Shiftworkers may exchange shifts by mutual agreement, provided that
   a) they have the consent of the Operations Manager;
   b) the daily limit provision of clause S2.2.2 is satisfied; and
   c) the arrangement would not result in overtime or emergency duty payment for either party

S2.2.4. AAO employees working shift are provided with an AAO vehicle for transportation to site. Limited personal non-commercial use is permitted.

S2.2.5. AAO employees working shift may avail themselves of an evening meal as provided by the ANU Lodge. The meal cannot, however, be converted into a payment if the employee elects not to partake.

Afternoon Shift

S2.2.6. The afternoon shift shall be a 7 day roster followed by 2 consecutive rostered days off. The duration of each shift should normally be at least 7 hours 30 minutes, plus a minimum meal break of half an hour. If a meal break of more than 30 minutes is taken, the additional time above the 30 minutes shall be added on to the finishing time.

S2.2.7. The bandwidth for afternoon shift will be from 12.00pm to 12.00am, Monday to Sunday. Where an employee working on afternoon shift is directed to work longer than 7 hours 30 minutes either before or after their shift or outside the bandwidth, the Flextime and Overtime provisions will apply with the added exceptions:
   a) the net flextime debit that may be accumulated during the 7 day shift period should not exceed five hours; and
   b) flex leave taken whilst on afternoon shift should only be used on an infrequent basis and not as a means of shortening the normal duration of shifts.

Night Shift

S2.2.8. The night shift shall be a 7 day roster followed by 2 consecutive rostered days off. The duration of each shift is between sunset and sunrise and is determined by the requirements of the observer, instrument and the observing programme. As the duration of the night shift is longer than a standard working day, a loading is included in the shift allowance payment to recognise this.

S2.2.9. The AAO shall provide employees working night shiftwork with accommodation at the ANU Lodge at the conclusion of each night shift. This provision cannot be converted into a payment if the employee elects not to partake.

S2.2.10. Flexible Working Hours and Flextime provisions do not apply to employees whilst on night shift.

Rostered Shifts & Public Holidays

S2.2.11. Where, in a cycle of shifts on a regular roster, a shiftworker is required to perform rostered duty on each of the days of the cycle, and a prescribed public holiday falls on a day on which the employee is rostered off duty, the employee will be granted one day's leave in lieu
to be taken within one month of the public holiday. Where it is not practicable to grant a day off in lieu, the employee will be paid one day’s pay at the ordinary rate.

Additional Recreation Leave
S2.2.12. Shift-workers who are regularly rostered to work on Sundays and public holidays will be granted an additional one week's leave equivalent to their ordinary weekly hours of duty each year. A shift-worker who is rostered to perform duty on less than 10 Sundays during the accrual period will be granted additional leave at the rate of one-tenth of a working week for each Sunday rostered. This additional leave credit will be subject to the same terms and conditions as Recreation Leave credits.

Inclusion of overtime shifts.
S2.2.13. A rostered Sunday overtime shift will not count for the purposes of S2.2.12 where it is less than 3 hours duration. A rostered overtime shift that commences or ceases on a Sunday will be deemed to be a Sunday overtime shift for the purposes of S2.2.12.

Shift Allowance
S2.2.14. A shift allowance is payable to all shiftworkers and replaces penalty payments, meal allowances, overtime associated with the night shift, on call allowances and telephone allowances.

S2.2.15. The shift allowance is not included in the calculation of overtime salary or any other allowance based on salary.

S2.2.16. Shift allowances are paid to employees working night shifts for more than 21 nights a year or afternoon shifts for 3 or more weeks a year. The shift allowance replaces penalty payments, overtime associated with the night shift, on call allowances and telephone allowances.

S2.2.17. The shift allowances shall be calculated as follows:

S2.2.18. For all AAO Telescope night assistants working more than 21 nights a year, a shift allowance per night of 3.57%/7 = 0.51% of the salary applicable to the top of level 4.

S2.2.19. For all observers on the Schmidt Telescope working more than 21 nights a year, a shift allowance of 0.51% per night of the salary applicable to the top of level 4.

S2.2.20. For all afternoon shift technicians, a shift allowance per night of 1.20%/7 = 0.17% of the salary applicable to the top of level 4.

Coonabarabran District Entitlements
S2.2.21. An employee who relocates permanently to Coonabarabran to take up employment with the AAO, is entitled to the district allowance at the rate of $900 a year for those without dependents and $1800 for those with eligible dependents.

S2.2.22. An eligible dependant/eligible partner is a dependent or partner who resides with the employee, and whose income is no more than the federal minimum wage. An employee with a spouse or partner who is also entitled to the payment of district allowance will be regarded as an employee without dependents for the calculation of the district allowance.

S2.2.23. Where an employee is entitled to the payment of district allowance on the day immediately prior to the commencement of a period of Recreation Leave, the payment of district allowance will continue during the Recreation Leave, irrespective of where the employee resides during the leave.

S2.2.24. The annual Recreation Leave entitlement under clause D14 of employees stationed at Coonabarabran will be increased by 2 days per annum.
Non-Ongoing Employees Full Term Bonus
S2.2.25. Non-ongoing employees who had an entitlement to a “Full Term Bonus” under the terms of clause 13.8 of the Anglo-Australian Telescope Board Enterprise Agreement 2007–2010, will retain that entitlement so long as they are employed continuously in the AAO.

Non-Ongoing Employees Redundancy Entitlement
S2.2.26. Where a non-ongoing employee’s (who was previously covered by the Anglo-Australian Telescope Board Enterprise Agreement 2007–2010 and whose employment has been continuous) position has become redundant because external funding essential to the employee’s position ceases, or AAO no longer requires anyone to perform the work that the employee has been performing, the Managing Excess Employees provisions of this Agreement shall apply.

S2.2.27. For the purposes of this Agreement, breaks between non-ongoing appointments of up to three months in total in any 12 month period will not constitute a break in continuous service.
SCHEDULE 3 – Supported Salary Rates and Conditions of Employment

S3.1 This schedule defines the conditions which will apply to employees who because of the effects of a disability are eligible for a supported wage under the terms of this Agreement.

S3.2 In this schedule:

- **approved assessor** means a person accredited by the management unit established by the Commonwealth under the supported wage system to perform assessments of an individual’s productive capacity within the supported wage system.
- **assessment instrument** means the tool provided for under the supported wage system that records the assessment of the productive capacity of the person to be employed under the supported wage system.
- **disability support pension** means the Commonwealth pension scheme to provide income security for persons with a disability as provided under the Social Security Act 1991 (Cth), as amended from time to time, or any successor to that scheme.
- **relevant minimum wage** means the minimum wage prescribed in this award for the class of work for which an employee is engaged.
- **supported wage system (SWS)** means the Commonwealth Government system to promote employment for people who cannot work at full award wages because of a disability, as documented in the Supported Wage System Handbook. The Handbook is available from the following website: www.jobaccess.gov.au.
- **SWS wage assessment agreement** means the document in the form required by the Department of Social Services that records the employee’s productive capacity and agreed wage rate.

Eligibility Criteria

S3.3 Employees covered by this schedule will be those who are unable to perform the range of duties to the competence level required within the class of work for which the employee is engaged under this award, because of the effects of a disability on their productive capacity and who meet the impairment criteria for receipt of a disability support pension.

S3.4 This schedule does not apply to any existing employee who has a claim against the employer which is subject to the provisions of workers compensation legislation or any provision of this award relating to the rehabilitation of employees who are injured in the course of their employment.

Supported Wage Rates

S3.5 Employees to whom this schedule applies will be paid the applicable percentage of the relevant minimum wage according to the following schedule:

<table>
<thead>
<tr>
<th>Assessed Capacity (clause S3.4)</th>
<th>% of Prescribed Salary</th>
</tr>
</thead>
<tbody>
<tr>
<td>10% *</td>
<td>10%</td>
</tr>
<tr>

</tr>
<tr>
<td>30%</td>
<td>30%</td>
</tr>
</tbody>
</table>
S3.5 Provided that the minimum amount payable per week shall be not less than the minimum amount determined by the Fair Work Commission from time to time.

S3.6 Where a person’s assessed capacity is 10%, they shall receive a high degree of assistance and support.

Assessment of Capacity
S3.7 For the purpose of establishing the percentage of the relevant minimum wage, the productive capacity of the employee will be assessed in accordance with the Supported Wage System by an approved assessor, having consulted the employer and employee and, if the employee so desires, a union which the employee is eligible to join.

S3.8 All assessments made under this schedule must be documented in an SWS wage assessment agreement, and retained by the employer as a time and wages record in accordance with the FW Act.

Lodgement of SWS wage assessment agreement
S3.9 All SWS wage assessment agreements under the conditions of this schedule, including the appropriate percentage of the relevant minimum wage to be paid to the employee, must be lodged by the employer with the Fair Work Commission.

S3.10 All SWS wage assessment agreements must be agreed and signed by the employee and employer parties to the assessment. Where a union which has an interest in the award is not a party to the assessment, the assessment will be referred by the Fair Work Commission to the union by certified mail and the agreement will take effect unless an objection is notified to the Fair Work Commission within 10 working days.

Review of Assessment
S3.11 The assessment of the applicable percentage should be subject to annual or more frequent review on the basis of a reasonable request for such a review. The process of review must be in accordance with the procedures for assessing capacity under the supported wage system.

Other Terms and Conditions of Employment
S3.12 Where an assessment has been made, the applicable percentage will apply to the relevant minimum wage only. Employees covered by the provisions of this schedule will be entitled to the same terms and conditions of employment as other workers covered by this award on a pro rata basis.

Trial Period
S3.13 In order for an adequate assessment of the employee’s capacity to be made, an employer may employ a person under the provisions of this schedule for a trial period not exceeding
12 weeks, except that in some cases additional work adjustment time (not exceeding four weeks) may be needed.

S3.14 During that trial period the assessment of capacity will be undertaken and the percentage of the relevant minimum wage for a continuing employment relationship will be determined.

S3.15 The minimum amount payable to the employee during the trial period must be no less than $81 per week.

S3.16 Work trials should include induction or training as appropriate to the job being trialled.

S3.17 Where the employer and employee wish to establish a continuing employment relationship following the completion of the trial period, a further contract of employment will be entered into based on the outcome of assessment under clauses S3.7 and S3.8.
SCHEDULE 4 – War Service Sick Leave

S4.1 A war caused condition means an injury or disease of an employee that has been determined under the relevant legislation to be war-caused or defence-caused.

Credits: Employees May Accrue Two Separate Credits

S4.2 Employees are allotted a nine week, once only, special credit of War Service Sick Leave on commencement of ongoing employment in the APS. If the employee was eligible for War Service Sick Leave during a previous period of APS employment, on re-joining the APS the special credit allotted, will be any special credit that remained unused on the final day of the previous APS employment.

S4.3 In addition to the special credit, ongoing employees are allotted a three week credit (annual credits) of War Service Sick Leave on commencement, and after each subsequent twelve months service. Unused annual credits will accumulate, subject to a maximum annual credit balance of nine weeks. If the employee was eligible for War Service Sick Leave during a previous period of APS employment, on re-joining the APS any unused accrued annual credits can be brought forward, subject to the maximum annual credit of nine weeks.

S4.4 War Service Sick Leave accruals will be deferred by any periods where an employee has been absent on leave without pay which does not count as service, or for any unauthorised absence.

Grants

S4.5 Approval of War Service Sick Leave will be subject to the provision of a medical certificate stating the nature of the medical condition, and a statement from the Department of Veterans’ Affairs stating the medical condition is a war-caused condition.

S4.6 Leave from annual credits may not be granted until the special credit has expired.

Rate of Pay

S4.7 War Service Sick Leave is paid, and counts as service for all purposes.

Credits Expired

S4.8 Where an employee’s War Service Sick Leave credits have expired, Personal/Carer’s Leave provisions will apply.

Prior Service

S4.9 Leave that counts as service for Personal/Carer’s Leave purposes will be deemed to count as service for War Service Sick Leave purposes.
SCHEDULE 5 – Consultation on Major Change

S5.1. This term applies if the Department (the employer):
   a) has made a definite decision to introduce a major change to production, program, organisation, structure or technology in relation to its enterprise that is likely to have a significant effect on the employees; or
   b) proposes to introduce a change to the regular roster or ordinary hours of work of employees.

S5.2. For a major change referred to in clause S5.1(a):

   b) the employee or employees advise the employer of the identity of the representative; the employer must recognise the representative.

S5.5. As soon as practicable after making its decision, the employer must:
   a) discuss with the relevant employees:
      i) the introduction of the change; and
      ii) the effect the change is likely to have on the employees; and
      iii) measures the employer is taking to avert or mitigate the adverse effect of the change on the employees; and
   b) for the purposes of the discussion—provide, in writing, to the relevant employees:
      i) all relevant information about the change including the nature of the change proposed; and
      ii) information about the expected effects of the change on the employees; and
      iii) any other matters likely to affect the employees.

S5.6. However, the employer is not required to disclose confidential or commercially sensitive information to the relevant employees.

S5.7. The employer must give prompt and genuine consideration to matters raised about the major change by the relevant employees.

S5.8. If a term in this agreement provides for a major change to production, program, organisation, structure or technology in relation to the enterprise of the employer, the requirements set out in clause S5.2(a) and clauses S5.3 and S5.5 are taken not to apply.

S5.9. In this term, a major change is likely to have a significant effect on employees if it results in:
   a) the termination of the employment of employees; or
   b) major change to the composition, operation or size of the employer’s workforce or to the skills required of employees; or
   c) the elimination or diminution of job opportunities (including opportunities for promotion or tenure); or
   d) the alteration of hours of work; or
   e) the need to retrain employees; or
f) the need to relocate employees to another workplace; or

g) the restructuring of jobs.

S5.10. For a change referred to in clause S5.1(b):

a) the employer must notify the relevant employees of the proposed change; and

b) clauses S5.11 to S5.15 apply.

S5.11. The relevant employees may appoint a representative for the purposes of the procedures in this term.

S5.12. If:

a) a relevant employee appoints, or relevant employees appoint, a representative for the purposes of consultation; and

b) the employee or employees advise the employer of the identity of the representative;

c) the employer must recognise the representative.

S5.13. As soon as practicable after proposing to introduce the change, the employer must:

a) discuss with the relevant employees the introduction of the change; and

b) for the purposes of the discussion—provide to the relevant employees:

   i) all relevant information about the change, including the nature of the change; and

   ii) information about what the employer reasonably believes will be the effects of the change on the employees; and

   iii) information about any other matters that the employer reasonably believes are likely to affect the employees; and

c) invite the relevant employees to give their views about the impact of the change (including any impact in relation to their family or caring responsibilities).

S5.14. However, the employer is not required to disclose confidential or commercially sensitive information to the relevant employees.

S5.15. The employer must give prompt and genuine consideration to matters raised about the change by the relevant employees.

S5.16. In this term relevant employees means the employees who may be affected by a change referred to in clause S5(1).
SCHEDULE 6 – Dispute Resolution Procedure

S6.1 If a dispute relates to:
   a) a matter arising under this Agreement; or
   b) the National Employment Standards;
this term sets out procedures to settle the dispute.

S6.2 An employee who is a party to the dispute may appoint a representative for the purposes of the procedures in this term.

S6.3 In the first instance, the parties to the dispute must try to resolve the dispute at the workplace level, by discussions between the employee or employees and relevant supervisors and/or management.

S6.4 If discussions at the workplace level do not resolve the dispute, a party to the dispute may refer the matter to the Fair Work Commission.

S6.5 The Fair Work Commission may deal with the dispute in 2 stages:
   a) the Fair Work Commission will first attempt to resolve the dispute as it considers appropriate, including by mediation, conciliation, expressing an opinion or making a recommendation; and
   b) if the Fair Work Commission is unable to resolve the dispute at the first stage, the Fair Work Commission may then:
      i. arbitrate the dispute; and
      ii. make a determination that is binding on the parties.

Note: If the Fair Work Commission arbitrates the dispute, it may also use the powers that are available to it under the Act.

A decision that the Fair Work Commission makes when arbitrating a dispute is a decision for the purpose of Division 3 of Part 5.1 of the Act. Therefore, an appeal may be made against the decision.

S6.6 While the parties are trying to resolve the dispute using the procedures in this term:
   a) an employee must continue to perform his or her work as he or she would normally unless he or she has a reasonable concern about an imminent risk to his or her health or safety; and
   b) an employee must comply with a direction given by the employer to perform other available work at the same workplace, or at another workplace, unless:
      i. the work is not safe; or
      ii. applicable occupational health and safety legislation would not permit the work to be performed; or
      iii. the work is not appropriate for the employee to perform; or
      iv. there are other reasonable grounds for the employee to refuse to comply with the direction.

S6.7 The parties to the dispute agree to be bound by a decision made by the Fair Work Commission in accordance with this term.
