**Re: Anti-Dumping Notice 2013/66 Zinc Coated (Galvanised) Steel & Aluminium Zinc Coated Steel – Accelerated Review Request**

Dear Sir/Madam,

I write to you on behalf of SPLCO - South Polar Lights (Shanghai) Co., Ltd to apply for an accelerated review for the export of Zinc coated (galvanized) steel and Aluminium zinc coated steel – Tariff Classification Number 7210.49.00 and 7210.61.00.

SPLCO - South Polar Lights (Shanghai) Co., Ltd is a manufacturer of galvanized steel coil and we are a supplier in both the domestic Chinese and export markets.

We are aware that the products that we wish to export to the Australian market are subject to the Anti-Dumping/Countervailing Notice 2013/66, We wish to advise that our company has not exported zinc coated galvanized steel & aluminium zinc coated steel (TC 7210.49.00/7210.61.00) during the investigation period. I would appreciate your favorable response to this application and we remain available to provide any assistance you require to assess our application.

Yours sincerely
