Re: Application for Accelerated Reviews

Dear Mr Timothy,

I am writing to you apply for an accelerated review on behalf of Guangdong Jinxi Cheng Al. Manufacturing Co.,Ltd.

Guangdong Jinxi Cheng Al. Manufacturing Co.,Ltd was founded in 1993, as a private limited liability company, and mainly manufactures aluminum alloy products.

Guangdong Jinxi Cheng Al. Manufacturing Co.,Ltd mainly focuses on developing domestic market before, now intends to exploit Australian market due to the change of company's strategy.

Guangdong Jinxi Cheng Al. Manufacturing Co.,Ltd just exported aluminum products to Australia through a trading company recently, and its customer in Australia has received aluminum products.

As we know, products exported by Guangdong Jinxi Cheng Al. Manufacturing Co.,Ltd are subjected to the current Anti-Dumping Notice No 2012/18, Dumping Commodity Register R.12, so as an exporter without any sale to Australia before this, Guangdong Jinxi Cheng Al. Manufacturing Co.,Ltd would like to take this opportunity to apply for accelerated review of Anti-dumping Measures and Countervailing regarding Aluminum Extrusions from China.

According to Customs Act 1901-Sect269ZF and instruction from you in the previous email, I am in belief that Guangdong Jinxi Cheng Al. Manufacturing Co.,LTD is qualified to apply for such a review.

I will appreciate it very much if you could approve this application as soon as possible, and I apologized for any inconvenience brought therefore to you.

Best Regards,

Qiu Hong Fan
