CAMBERRA

Re: Application for an accelerated review

The undersigned Raffaele Trinchese, as President of **La Vera Napoli Soc. Coop a r.l.**, based in Nola, Via On. Francesco Napolitano no.2, with factory and offices in Cercola, Via Tenente Barone no.26/a, specialized in the manufacturing of canned tomato products, declares:

1. Our Company produces also "Tomatoes, whether peeled or unpeeled, prepared or preserved otherwise than by vinegar or acetic acid, either whole or in pieces (including diced, chopped or crushed), with or without other ingredients (including vegetables, herbs or spices) in packs not exceeding 1.14 litres in volume";
2. The above products are subject to anti-dumping measures - ref. ADN 2017/47,
3. Our Company is not named in the Dumping Commodity Register on the ADC website, so our possible exports to Australia would be subject to the "All other exportes" rate of duty;
4. During last Food Show in Hong Kong we had the opportunity to meet some Australian Importers of italian food very interested in our canned peeled tomatoes, but any offer, if weighed down by a 118% duty imposed would be uncompetitive.
5. Our Company never exported any products to Australia in the past, so the current anti-dumping measures, if applied, would be inappropriate.

Therefore we ask for an accelerated review of our Company position, and remain at your disposal to provide all the documentation you would like to request.

Best regards
