Dear Ms Hind

Re: Application for an Accelerated Review of Measures

- **Hollow Structural Sections (HSS) conforming to ASTM 678 Grade A or S355JR (Chinese Grade Q345B), manufactured by Sino Sources Tech Co., Ltd in China**

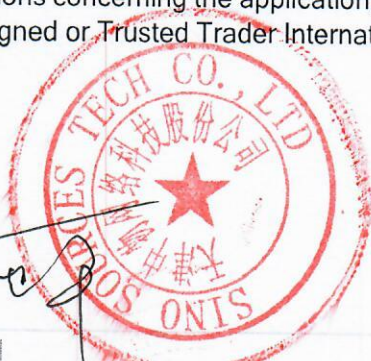

On behalf of Sino Sources Tech Co., Ltd (Sino Sources Tech), a manufacturer and new exporter of certain coated galvanised Steel Tubes from the People's Republic of China, we wish to apply for an Accelerated Review of Measures.

Please find attached our application for an Accelerated Review of the variable factors applying to exports of HSS by Sino Sources Tech.

We also confirm that our company is not related to any of the companies that were examined in the original investigation.

If you have any questions concerning the application, please do not hesitate to contact the undersigned or Trusted Trader International.

Yours sincerely

SINO SOURCES TECH CO. LTD. |
