

ANTI DUMPING APPLICATION

- Hills Limited (ACN 007 573 417)
TV Antenna Manufacturing operations
80-98 Baden Terrace O'Sullivan Beach 5166 South Australia.

- Nick Leone Operations manager
Telephone (08) 81869272
Mobile 040 199 1004
Email - nick.leone@hills.com.au

- APPLICANTS INTEREST.
 - Hills is the manufacturer of TV Antenna's that requires specific products (materials) in the manufacturing process to complete a finished TV Antenna. These products (materials) are currently sourced through BlueScope Steel who import on Hills behalf.
 - Hills Limited has chosen these materials/ grades / wall thicknesses as they are integral in the manufacturing process and patented Boomlock manufacturing technology. Materials outside of these tolerances cannot guarantee the same formability and affecting our repeatability, quality and reputation in the market as a leading manufacturer of Australian made TV Antenna's.

- OTHER INTERESTED PARTIES.
 - BlueScope Steel Limited
 - Ian DeAraugo Market Development manager
Tel (08) 8260 3747, Mobile 0419 873 119
69A Wingfield Road Wingfield SA 5013.
 - Hills are the only manufacturer in Australia who utilise this material for the manufacture of TV Antenna's.

- GOUNDS FOR EXCEMPTION.
 - Exemption One – Like or directly competitive goods are not offered for sale in Australia to all purchases on equal terms under like conditions having regard to the custom and usage of Trade.

- EVIDENCE OF AUSTRALIAN PRODUCERS.
 - Following an investigation by Hills / BlueScope Steel, the following producers have been identified as the only interested parties (manufacturers) and have been contacted by BlueScope Steel to confirm if they can produce the products (materials) for which we are seeking exemption (see attached e-mails).
 - Capral Limited
151 Barry Road Campbellfield Vic 3081
 - Almax Aluminium PTY LTD
87 Trade Street Lytton QLD
 - G James
 - 545 Queen street Brisbane QLD.

- DESCRIPTION OF GOODS.
 - Product 1
 - Thin wall Aluminium Extruded Round Tube.
 - Grade 6063-T595
 - Outside Diameter 8.00mm - tolerance +/- 0.1mm
 - Wall thickness 0.9mm – tolerance +/- 0.12mm.

 - Product 2
 - Thin wall Aluminium Extruded Square Tube.
 - Grade 6063-T4
 - Dimension 17.00mm square– tolerance +/- 0.2mm
 - Wall thickness 0.9mm – tolerance +/- 0.1mm.

 - Current overseas supplier
 - Kam Kiu Aluminium Products Group Ltd
Production base (China Factory)
Taishan City Kam Kiu Aluminium Extrusion Co. Ltd
Dajiang Country Taishan, Guang Dong, China
Tel: (86) 750 543 8596
Contact Mr Peter Chan
e-mail peterchang@kamkiu.com.

- REASON FOR SEEKING EXEMPTION.
 - Hills is seeking to reduce input costs (Materials) currently used in the manufacturing process to manufacture TV Antenna's, to remain competitive in the Australian Market place.
 - Products details for the 8mm round and 17mm square Aluminium Extruded Tube are attached.
 - No manufacturer in Australia can manufacture this product (refer to attached emails) to the Hills specifications required. The material specifications are critical for the machinery to operate during the manufacturing process and must be within the tolerances specified.
 - No alternative product (material) can be substituted in the manufacture of the TV Antenna (finished product).
