Certain aluminium extrusions exported
from the People's Republic of China
Initiation of a review of dumping and
countervailing duty notices

Section 269ZC of the Customs Act 1901

The Chief Executive Officer (CEO) of the Australian Customs and Border Protection Service (Customs and Border Protection) has commenced a review of the variable factors relevant to the dumping and countervailing duty notices applying to certain aluminium extrusions exported to Australia by Wuxi Xisha Photoelectric Aluminium Products Co., Ltd from the People's Republic of China (China).

The goods covered by the review are aluminium extrusions produced via an extrusion process, of alloys having metallic elements falling within the alloy designations published by The Aluminium Association commencing with 1, 2, 3, 5, 6 or 7 (or proprietary or other certifying body equivalents), with the finish being as extruded (mill), mechanical, anodized or painted or otherwise coated, whether or not worked, having a wall thickness or diameter greater than 0.5 mm., with a maximum weight per metre of 27 kilograms and a profile or cross-section which fits within a circle having a diameter of 421 mm.

Further details of the goods can be found in Australian Customs Dumping Notice No. 2012/18.

The goods may be classified to subheadings 7604.10.00 (statistical code 6), 7604.21.00 (statistical codes 7 and 8), 7604.29.00 (statistical codes 9 and 10), 7608.10.00 (statistical code 9), 7608.20.00 (statistical code 10), 7610.10.00 (statistical code 12) and 7610.90.00 (statistical code 13) in Schedule 3 of the Customs Tariff Act 1995.

Interested parties are invited to lodge written submissions concerning the review not later than **29 June 2012** with:

The Director Operations
International Trade Remedies Branch
Australian Customs and Border Protection Service
5 Constitution Avenue
Canberra ACT 2601

or by email tmops1@customs.gov.au, or fax number 02 6275 6990.

A statement of the essential facts on which the CEO proposes to base a recommendation to the Minister for Home Affairs (the Minister) will be placed on the public record by 10 September 2012, or such longer period as the Minister allows. Interested parties are invited to lodge submissions in response to the statement of essential facts within 20 days of that statement being placed on the public record. A report and recommendation to the Minister will be made on or before 23 October 2012 (or such longer period as the Minister allows).

Particulars about the review are contained in Australian Customs Dumping Notice No. 2012/18, which should be read in conjunction with this notice. Particulars of the reasons for the decision to initiate this review are shown in International Trade Remedies Consideration Report No. 186. All Australian Customs Dumping Notices and public reports are available on the Customs and Border Protection website at www.customs.gov.au.

Enquiries about this notice may be directed to the case team on telephone number 02 6274 4948 or email tmops1@customs.gov.au.

CALL FOR EXPRESSIONS OF INTEREST

National Environment Protection Council (NEPC) Service Corporation
AN ECONOMIC ANALYSIS TO INFORM THE NATIONAL PLAN
FOR CLEAN AIR (PARTICLES)

The NEPC Service Corporation is to engage a consultant to conduct an economic analysis to inform the development of the National Plan for Clean Air work on particles. The consultancy will evaluate the costs and benefits of potential new air quality standards for particles, an exposure reduction framework, and particle abatement actions to deliver improvements in air quality.

Expressions of interest should be submitted by COB Monday 28 May 2012 to:
