Hollow Structural Steel

**Exported from the People's Republic of China,
the Republic of Korea, Malaysia and Taiwan**

**Withdrawal of application for an exemption from
dumping and countervailing duty notices**

Customs Tariff (Anti-Dumping) Act 1975

Following an application from Ronih Enterprises Pty Ltd T/A SureGuide Australia (the applicant), on 23 March 2018 I initiated an exemption inquiry in relation to certain hollow structural sections (HSS) exported to Australia from the People's Republic of China, the Republic of Korea, Malaysia and Taiwan that are subject to anti-dumping measures. Advice of my decision to initiate the inquiry and further details concerning the goods for which the exemption was sought were published in Anti-Dumping Notice (ADN) No. 2018/45, which is available on the Commission website at www.adcommission.gov.au.

On 1 May 2018, the applicant withdrew its application. Accordingly, I have ceased the exemption inquiry. No findings will be made on the exemption of the goods subject to the application.

Enquiries about this notice may be directed to the case manager on telephone number 03 8359 2409 or investigations1@adcommission.gov.au.
