Dear Sir/Madam,

Re: ADN 2015/58 - Anti-circumvention inquiry into Hollow Structural Sections (HSS) exported from China, Korea and Malaysia

It has come to our attention that our business, Cedex Steel & Metal Pty Ltd (Cedex), has been named by Austube Mills Pty Ltd (ATM) as an interested party in respect of their April 2015 application for an anti-circumvention inquiry into HSS from the above countries.

We at Cedex are of the view that this inquiry, initiated by the Commission in May 2015 under the above reference number, is of no particular interest to us and we do not at this stage intend to be making any submissions.

That said, if the Commission would like to discuss with us any issue arising out of this inquiry we will endeavour to make ourselves available.

Yours faithfully,
Cedex Steel & Metal Pty Ltd
