

COMMONWEALTH OF AUSTRALIA

Ministerial Exemption Instrument No. 5 of 2018

Customs Tariff (Anti-Dumping) Act 1975

I, KAREN ANDREWS, Minister for Industry, Science and Technology have considered and accepted the recommendations of the Commissioner of the Anti-Dumping Commission, the reasons for the recommendations, the material findings of fact on which the recommendations are based and the evidence relied on to support those findings in *Exemption inquiry report: EX0067* concerning certain wind towers exported to Australia from the People's Republic of China and the Republic of Korea.

Under subsection 8(7)(b) of the *Customs Tariff (Anti-Dumping) Act 1975*, I hereby exempt the goods described in Attachment 1 (the exemption goods) from interim dumping duty and dumping duty (the duties) as I am satisfied that a Tariff Concession Order under Part XVA of the *Customs Act 1901* in respect of the exemption goods is in force.

The anti-dumping measures previously applying to the exemption goods were imposed following the then Parliamentary Secretary to the Minister for Industry's consideration of *Anti-Dumping Commission Report No. 221* concerning the alleged dumping of certain wind towers exported from the People's Republic of China and the Republic of Korea.

This instrument has effect from 16 May 2018 until Tariff Concession Order TC 1813104 is revoked.

The instrument is subject to review and may be revoked earlier.

Dated this 11th day of September 2018

Karen Andrews

Minister for Industry, Science and Technology
