Statement to Anti-Dumping Commission (Australia)

DATE: Jun/04/2015

To whom it may concern,

Sheng Yu Steel Co., Ltd (hereafter called SYSCO) had received a notice from Bureau of Foreign Trade of Taiwan, stating that Anti-Dumping Commission of Australia (hereafter called ADC) is in progress of circumvention investigation against Taiwan/Korea origin zinc coated (galvanized) steel.

Since SYSCO was sentenced no dumping margin for exporting galvanized steel into Australia, SYSCO has never produced or exported alloyed hot dipped galvanized steel, and has no intention of exporting this kind of product to Australia.

Thank you for your attention.

Sincerely yours.

Makoto Omori (Chairman)
