

ANTI-DUMPING NOTICE NO. 2014/113

Prepared or Preserved Tomatoes

Exported from Italy

By PMC SRL

Findings in relation to an Accelerated Review of Anti-Dumping Measures

Customs Act 1901 – Part XVB

I, Dale Seymour, the Commissioner of the Anti-Dumping Commission have completed the accelerated review, which commenced on 25 July 2014, of the anti-dumping measures applying to prepared or preserved tomatoes exported to Australia from Italy by PMC SRL (the applicant).

Findings and recommendations were reported to the Parliamentary Secretary to the Minister for Industry (the Parliamentary Secretary) in *Anti-Dumping Commission Report No. 262* (REP 262). The Parliamentary Secretary has considered REP 262 and has accepted the recommendations and reasons for the recommendations, including all material findings of fact or law set out in the report.

Under subsection 269ZG(3) of the *Customs Act 1901* (the Act), the Parliamentary Secretary declared that for the purposes of the Act and the *Customs Tariff (Anti-Dumping) Act 1975*, the original dumping duty notice is to remain unchanged.

The Commission concluded that the applicant is not a manufacturer or producer of prepared or preserved tomatoes, and it does not have the status of an exporter. As such, the applicant cannot be considered a new exporter for the purposes of an accelerated review and therefore is not eligible for an accelerated review.

Notice of the Parliamentary Secretary's decision was published in the *Commonwealth of Australia Gazette* on 17 November 2014.

REP 262 has been placed on the Commission's public record, which is available at www.adcommission.gov.au. Alternatively, the public record may be examined at the Commission's office by contacting the case manager on the details provided below.

Enquiries about this notice may be directed to the case manager on telephone number 03 9244 8796, fax number 1300 882 506 or +61 2 6275 6888 (outside Australia) or operations4@adcommission.gov.au.
