Dear Sir/Madam

Investigation into Alleged Dumping - Newsprint from France and Korea

As you are aware members of the UPM Group of companies are involved in the export of newsprint from France to Australia and consequently are interested parties in the above investigation. UPM will be cooperating fully in the investigation and we are currently preparing a complete response to the exporter questionnaire. However, due to the complexities associated with co-ordinating the compilation of material from various entities within the group and attending to other pressing matters that had arisen prior to the announcement of the investigation, we are seeking the Commission's agreement to an extension of time for the lodgement of our questionnaire response until 13 June 2014.

We also wish to advise that for the purpose of this investigation we will be represented by Mr John Cosgrave at Minter Ellison Lawyers, 25 National Circuit, Forrest ACT 2603. He may be contacted at 61 2 6225 3781 or by email at: john.cosgrave@minterellison.com. Could you please ensure that copies of all correspondence are provided to our representative?

We look forward to your early response to our extension request.

Yours Sincerely
