PUBLIC RECORD

Re: Dumping duty of 33.8% on Sodium Bicarbonate

Dear Sir,

We manufacture high-purity Magnesium Oxide in Young, NSW and the stock feed industry is one of our customers. We request your office to take a decision on revoking the above duty only after investigating the effect of such a step on the Magnesium Oxide manufacturing industry in Australia.

[REDACTED]

[REDACTED]

Yours sincerely,

(Aditya Jhunjunwala)
Managing Director
