**Subject:** Wish to request extension of exporter questionnaire response submission date

Good morning Mam. ,

Thank you very much for the time shared with us yesterday in your office allowing us to learn how ADC works on anti dumping investigation and related procedures.

We wish to ask your office to extend the exporter questionnaire response submission date from September 09, 2013 to September 23, 2013 due to the late arrival ( August 13, 2013 ) of this questionnaire. We need sufficient time to prepare this response properly.

Look forward to your kind consideration.

Best regards ,

Mario Zhang
