SUBSIDISATION OF ALUMINIUM EXTRUSIONS

File Note - Extension of time for Questionnaire Responses

On 16 August 2016, the Anti-Dumping Commission (the Commission) notified the Governments of Malaysia and Vietnam and exporters of aluminium extrusions from Malaysia and Vietnam that questionnaire responses in relation to Investigation No. 362 were due on 22 September 2016.

The Commission received requests for extensions of time to the due date from the Governments of Malaysia and Vietnam and certain exporters who have communicated their intent to cooperate with the investigation.

Due consideration has been given to the extension requests by the Commissioner of the Anti-Dumping Commission (the Commissioner), having regard to the individual circumstances and the *Customs (Extensions of Time and Non-cooperation) Direction 2015*.

The original legislated period for lodging submissions (22 September 2016) has now lapsed.

The Commissioner has granted an extension of time to the Government of Malaysia until 6 October 2016 and the Government of Vietnam until the 10 October 2016 in completing the respective government questionnaires.
