Review Investigation No 267
Tianjin Youfa Steel Pipe Group.
PUBLIC RECORD VERSION.

Dear Mr Gleeson,

We represent Tianjin Youfa Steel Pipe Group (YOUFA) in respect to the review of measures investigation, Case No 267 and we write to you in response to the SEF and file note re time extension provided for responses to the public record version of the EQR.

We would like it stated on the public record that 'YOUFA' did not export any of the GUC during the original investigation period and post that period 'YOUFA' has not exported any of the so called 'alloy' steel pipes currently the subject of anti-circumvention investigations.

Please contact the writer should you require any further information or clarification.

We thank you for your consideration.

Sincerely,

M J Howard
Representative
