On 17 October 2017, the Commissioner published a notice indicating that a further extension of time had been granted to publish the SEFs and to provide the final reports for reviews 411, 412 and 423. Approval was granted for the SEF to be published on or before 27 October 2017 and the final report became due on 11 December 2017.<sup>5</sup>

On 27 October 2017, the Commissioner published a notice regarding an extension of time to issue the SEF and final report due to the passing of the *Customs Amendment (Anti-Dumping Measures) Bill 2017*, as detailed in ADN 2017/150.

On 21 December 2017, SEFs 411, 412, and 423 were published. In response, the Commission received a number of submissions from relevant stakeholders. Due to the number and complexity of issues raised in the collective submissions, the Commission requires further time to properly consider the issues and address them in full.

For these reasons, I, Geoff Gleeson, Acting General Manager of the Anti-Dumping Commission, requested an extension of the deadline for the Commissioner to provide his final reports and recommendations to the Assistant Minister for Science, Jobs and Innovation and Parliamentary Secretary to the Minister for Jobs and Innovation (Parliamentary Secretary)<sup>6</sup> under subsections 269ZHI(1)(d) and 269ZHI(1)(e) of the *Customs Act 1901* (the Act).<sup>7</sup> The Commissioner has, under subsection 269ZHI(3) of the Act, extended the deadline to provide his final report and recommendations.

A recommendation to the Parliamentary Secretary will now be made in a report due on or before **6 March 2018**.
