Australia

Dear Director

**Investigation 377 - Alleged dumping of Cooling Water Treatment
Controllers exported from the United States of America**

I refer to the abovementioned investigation, as notified in ADN 2017/05.

Tanvenamore Holdings Pty Ltd (which trades as Waterdos Instruments Australasia) wishes to advise you that we have retained the law firm of Moulis Legal to represent the interests of our company and of any of our related companies in this investigation.

Please give Moulis Legal the same assistance and consideration in relation to the provision of information and cooperation in this matter as you would our company.

Moulis Legal is entitled to have access to confidential information concerning our company, and to make submissions to the Australian Anti-Dumping Commission on our behalf.

The direct contact at Moulis Legal is Alistair Bridges. His email address is alistair.bridges@moulislegal.com, and he can be contacted by telephone on +61 3 8459 2276.

Please contact him directly with any inquiries.

Yours faithfully

Dave Venamore
Managing Director
