Dear Pamela,

Our client, Chint Electric Co., Ltd, requests an extension of time within which to respond to the exporter questionnaire to 9 October 2013. The reason for the request is due to the significant amount of information that needs to be collected and provided over the three year period of investigation, as opposed to the usual twelve month period, and due to our client being closed for two weeks in August this year due to the unseasonably hot weather in China.

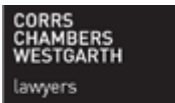

If you have any queries, please do not hesitate to contact me.

Kind regards

**Andrew Percival**
