

Attachment 4 - CNEI v ISIC product classifications

Product	Classification Code of National Economy Industry & Industry Name		ISIC Code and Industry Name	
Coke	25	Petroleum processing, coking, and nuclear fuel processing industry		
	2520	Coking	1910	Manufacture of coke oven products
Coking Coal	6	Coal mining and preparation industry		
	610	Bituminous coal and anthracite mining and preparation industry	510	Mining of hard coal
Iron Ore	8	Ferrous metal mining and dressing industry		
	810	Iron ore mining and dressing	710	Mining of iron ores
Steel Scrap	42	Comprehensive utilization of waste resources industry		
	4210	Scrap metal and metal debris processing	3830	Materials recovery
			3821	Treatment and disposal of non-hazardous waste
			3822	Treatment and disposal of hazardous waste
Hot-rolled Coils, hot rolled plate steel	31	Ferrous metal smelting, rolling and processing industry		
	3140	Steel rolling and processing	2410	Manufacture of basic iron and steel
