Purpose of meeting:

The purpose of the meeting was for Austube Mills Pty Ltd (ATM) and BlueScope Steel Limited (BlueScope) to provide feedback on the metallurgical advice placed on the electronic public record by the Anti-Dumping Commission (the Commission) in relation to these inquiries, and to seek a status update on the inquiries.

Discussion:

- ATM and BlueScope provided positive feedback regarding the metallurgical advice obtained by the Commission from Emeritus Professor Druce Dunne.
- The Commission advised ATM and BlueScope that it is in the process of preparing the final report for all three anti-circumvention inquiries.
