Gujarat Industrial Policy 2015
Scheme for Financial
Assistance to Industrial Park

Government of Gujarat
Industries and Mines Department
Resolution No.GID-102015-893580(1)-G
Sachivalaya, Gandhinagar
dated 21.4.2015

Read: (1) Gujarat New Industrial Policy 2015.

1.0 Preamble

Today, Gujarat's economy has reached a critical size which is strong platform to launch itself on an accelerated and high growth trajectory. A state's competitive economic advantage clearly depend on strong articulated vision for industrial and infrastructure development. In recent years, the state government has taken up many initiatives for creation of new infrastructure in industrial areas and estates.

The Government intends setting up of Industrial Parks is one of the important infrastructure component for Industrial development. Gujarat Industrial Development Corporation (GIDC) has played pivotal role in this regard developing 186 GIDC estates all across Gujarat State.

The need to develop new industrial estates for focus sectors has been felt to promote sector-specific economic activity and generate employment. The new industrial policy provide assistance for development of basic infrastructure like power, water supply, roads in the new estates. The State Government is encouraging participation of private sector for setting up small estates and specialized Industrial Parks. The new industrial policy emphasizes on continuing the financial assistance for Industrial parks to accelerate the investment in a planned manner by providing plug & play facilities to investors

A Task Force was constituted to review existing schemes under the 2009 Industrial Policy. Task Force analyzed impact of schemes, had discussions with Industries Associations and came out with suggestions for necessary modifications. Task force recommended to extend some more incentive for development of Industrial parks in Gujarat.

RESOLUTION:

In view of the strategy under New Industrial Policy the Government is pleased to introduce a "Scheme for Assistance to Industrial park"

1.0 The Scheme

The scheme will be known as "Financial Assistance to Industrial Park" which will come into force from 1st January 2015 and will remain in operation for a period of five years.

2.0 Definitions

2.1 Institution

Institution means any Industries Association / any enterprise registered under the Societies Act, Partnership Act or the Companies Act or SPV constituted for setting up of Industrial Park. Such institution will be eligible to avail assistance under the scheme for setting up of Industrial Park. In case of park having more than 100 hectares area, the Institution will be allowed to develop park with co-developer during the development of Industrial Park.

2.2 Industrial Park

Industrial Park means an estate which is developed in minimum area of 20 Hectares for establishment of minimum 10 industrial units to manufacture any product or service and having basic infrastructure facilities such as developed plot, internal roads, water distribution facilities, sewage, power distribution, communication facilities, Hostel for workers and such other facilities/services as may be required.

Industrial Park above 100 hectares will be facilitated and assisted by government in peripheral external link infrastructure like road, facilities for drawl of water, drawl of power including substation, gas and effluent disposal etc.

In case of park having more than 100 hectares area, the Institution will be allowed to develop industrial park with co-developer with prior permission of SLEC.

The Industrial Park will be treated as bonafide industrial user of land and eligible to obtain permission under Gujarat Tenancy and Agriculture land Act (63 AA), such industrial park can allot the plot/shed to industrial project.

2.3 Co-Developer:

Co-developer means individual or legal entity who intends to participate in development of Industrial park with requisite capability of fund participation/technical skill/expertise in creation of infrastructure of Industrial Park. The co-developer will also be responsible for development of Industrial Park.

GIDC may consider to enter into JV with developer of Industrial Park through transparent process to facilitate the Industrial project for allotment of land in Industrial park. The modality of JV shall be approved by the SLEC before entering into JV with GIDC.

2.4 Eligible Fixed Capital Investment

2.4.1 New Building

The cost incurred for New Buildings constructed in the industrial park for providing specific infrastructure facilities/service to the units located in the park will be eligible. For the purpose of eligible cost the SLEC will fix the norms for construction cost of these Infrastructural facilities.

2.4.2 Other Construction

Other construction includes facilities like boundary wall and other related infrastructure within the park as may be required to facilitate the units located within the park and as approved by the SLIC, will be eligible. The eligible cost of construction of such infrastructures will be worked out in accordance to relevant SOR norms of GIDC/Govt. However the SLEC may review the norms for construction cost of these Infrastructural facilities in accordance to the location, area of Industrial Park and type of industrial park.

2.4.3 Infrastructure Facilities

Infrastructure facilities will include such as internal roads, substation to draw power for requirement of park, power distribution lines, communication facilities, water distribution lines and water augmentation facilities, sewage and drainage lines, effluent treatment and disposal facilities and other facilities as may be required in the Industrial Park. The expenditure incurred for such infrastructure development only will be considered as eligible investment. The eligible cost of construction of such infrastructures facilities will be worked out in accordance to norms fixed by SLEC for such construction.

2.5 Ineligible Expenses

Expenditure incurred towards cost of land, goodwill fees, commissioning fees, royalty, preliminary & pre-operative expenses, interest capitalized, transportation equipment's/vehicles, technical fees/consultant fees, working capital and not specifically expressed as eligible investment or any other expenditure specified by the State Level Approval Committee will not be eligible for any assistance.

2.6 Project Completion

Industrial Park as approved by the Committee should be completed within period of 5 year, 7 year, and 10 year for 20 hectares, 50 hectares, 100 hectares or more respectively from the date of approval of project by the Committee.

However, the request for extension of period for completion of the project will be considered by SLEC on merit of the reasons of delay, if any.

3.0 Quantum of Assistance

3.1 Industrial Park

Industrial Park will be provided financial assistance @ 25% of eligible fixed capital investment in building and infrastructure facilities (except land cost) maximum upto Rs. 30 crores.

In addition, the Park will be provided financial assistance @ 25% of cost of Hostel/ Dormitory Housing for domicile workers maximum upto Rs. 20 crores, if prior approval of the Committee for hostel/Dormitory housing for domiciled workers of the project is obtained.

3.2 Stamp Duty

The Institution developing the industrial park shall be eligible for reimbursement @ 100 % of stamp duty paid on purchase of land as required for approved project by SLEC.

Individual units located in the Industrial Park will be eligible for reimbursement @ 50% of stamp duty paid by them on purchase of plot in the Industrial park.

4.0 Procedure and other Conditions

- 1) The industrial park/ estate should be developed in at least minimum an area of 20 hectares.
