

ANTI-DUMPING NOTICE NO. 2018/85

Hollow Structural Sections

Exported from the People's Republic of China

Findings in Relation to a Review of Anti-Dumping Measures

Notice under subsection 269ZDB(1) of the Customs Act 1901

The Commissioner of the Anti-Dumping Commission has completed a review, which commenced on 9 April 2015, of the anti-dumping measures applying to Hollow Structural Sections (the goods) exported to Australia from the People's Republic of China (China) by Dalian Steelforce Hi-Tech Co., LTD (Dalian Steelforce).

Recommendations resulting from that review, reasons for the recommendations and material findings of fact and law in relation to the review are contained in *Anti-Dumping Commission Report No 285A* (REP 285A).

I, ZED SESELJA, the Assistant Minister for Science, Jobs and Innovation¹ have considered REP 285A and have decided to accept the recommendations and reasons for the recommendations, including all the material findings of facts or law set out in REP 285A.

Under subsection 269ZDB(1)(a)(iii) of the *Customs Act 1901* (the Act), I declare that, for the purposes of the Act and the *Customs Tariff (Anti-Dumping) Act 1975* (Dumping Duty Act), that, with effect for goods entered for home consumption from 3 January 2017 until 2 July 2017 (both dates inclusive) the dumping duty notice currently applying to the goods exported to Australia from China by Dalian Steelforce is to be taken to have had effect as if different variable factors had been fixed in respect of that exporter, relevant to the determination of duty.

The duty that has been determined is an amount worked out in accordance with the combination of fixed and variable duty method as detailed in the table below.

Particulars of the dumping margin established for the exporter and the effective rate of duty is set out in the following table.

Exporter/country	Dumping Margin	Duty Method
Dalian Steelforce Hi-Tech Co Ltd / China	17.3%	Combination of fixed and variable duty method

The actual duty liability may be higher than the effective rate of duty due to a number of factors. Affected parties should contact the Anti-Dumping Commission (the Commission) business.gov.au on 132846 or +61 2 6213 6000 or at clientsupport@adcommission.gov.au for further information regarding the actual duty liability calculation in their particular circumstance.

To preserve confidentiality, details of the revised variable factors such as Ascertained Export Price (AEP) and Normal Value and Non-Injurious Price (NIP) will not be published.

¹ For the purposes of this decision the Minister is the Assistant Minister for Science, Jobs and Innovation.

Interested parties may seek a review of this decision by lodging an application with the Anti-Dumping Review Panel (www.adreviewpanel.gov.au) in accordance with the requirements in Division 9 of Part XVB of the Act, within 30 days of the publication of this notice.

The Anti-Dumping Review Panel can be contacted by mail, phone, fax or email:

REP 285A has been placed on the Commission's public record. The public record may be examined at www.adcommission.gov.au. Alternatively, the public record may be examined at the Commission's office during business hours by contacting the case manager on the details provided below.

Enquiries about this notice may be directed to the case manager on telephone number +61 3 8539 2454, fax number +61 3 8539 2499 (outside Australia) or email Investigations2@adcommission.gov.au.

Dated this 12th day of July 2018.

ZED SESELJA
Assistant Minister for Science, Jobs and Innovation
