AUSTRALIAN INDUSTRY QUESTIONNAIRE

General request:

1. Evidence which further demonstrates the impact of the goods exported from Austria, Finland, Korea, Russia and Slovakia on AP's prices. [Potential sources of evidence].

Specific request:

2. Commercial information including [types of commercial information] which includes any changes over the period and which details volumes, prices and product mix. This is for the period from 2014 until now.
3. Further information relating to price increases in 2016 and 2017.
4. Copy of sales data for 2016 – for the like goods only. Refer to the attached excel file (*Appendix 1 - 2016 Sales*) for the format of the spreadsheet.
5. Further information related to the Edwards Dunlop Office Products (EDOP) acquisition and contract structure. [Potential sources and method of supply of information].
6. Please provide a copy of AP's internal business and communications strategies for managing the transition of EDOP customers in 2016 and 2017.
