

ANTI-DUMPING NOTICE NO. 2014/138

Certain Aluminium Extrusions

Exported from People's Republic of China

Extension of time granted to issue the Statement of Essential Facts

Customs Act 1901 – Part XVB

On 12 June 2014, the Anti-Dumping Commission (the Commission) published a notice announcing the initiation of a review of anti-dumping measures in respect of certain aluminium extrusions exported to Australia from the People's Republic of China (China).

A full description of the goods is available in Anti-Dumping Notice (ADN) No. 2014/46. This ADN is available on the internet at www.adcommission.gov.au.

The initiation notice advised that a statement of essential facts (SEF) for the review would be placed on the public record by 1 October 2014. The SEF will set out the facts on which I propose to base my recommendations to the Parliamentary Secretary to the Minister for Industry (the Parliamentary Secretary) in relation to the review. On 22 September 2014, the Parliamentary Secretary approved an extension to the deadline to publish the SEF on 30 December 2014 (ADN 2014/104 refers).

Due to the high case workload which limited the Commission's ability to conduct onsite verification visits to China, I requested a further extension of the deadline for the publication of the SEF.

The Parliamentary Secretary has, under section 269ZHI of the *Customs Act 1901*, extended the deadline for publication of the SEF. The SEF will now be placed on the public record no later than 29 April 2015. Interested parties will be invited to make submissions to the Anti-Dumping Commission (the Commission) in response to the SEF within 20 days of the SEF being placed on the public record. A recommendation to the Parliamentary Secretary will be made in a report due on or before 15 June 2015.

Documents included in the public record may be examined at www.adcommission.gov.au. Alternatively, the public record is available at the Commission's office by contacting the case manager on the details provided below.

Enquiries about this notice may be directed to the case manager on telephone number +61 3 9244 8065, fax number 1300 882 506 or +61 2 6275 6888 (outside Australia) or operations3@adcommission.gov.au.
