Customs Act 1901 - Part XVb

**QUICKLIME**  
**EXPORTED FROM THAILAND**  
**TERMINATION OF AN INVESTIGATION**

*Public notice under subsection 269ZZM(4) of the Customs Act 1901*

On 31 October 2011 the Chief Executive Officer (CEO) of the Australian Customs and Border Protection Service (Customs and Border Protection) initiated an investigation into the alleged dumping of quicklime exported to Australia from Thailand, following an application lodged by Cockburn Cement Limited.

Customs and Border Protection published a notice in *The Australian* on 31 October 2011 notifying of the initiation of the investigation, and issued Australian Customs Dumping Notice (ACDN) 2011/53, which contains further details on the investigation, available at <http://www.customs.gov.au/anti-dumping/notices.asp>.

The delegate of the CEO terminated the investigation on 3 April 2012. Following an appeal to the Trade Measures Review Officer (TMRO), the TMRO revoked the termination on 25 June 2012 and the investigation was resumed by Customs and Border Protection.

As a result of Customs and Border Protection's resumed investigation, the Delegate of the CEO of Customs and Border Protection is satisfied that there has been, or may be, dumping of some or all of the goods, but the injury, if any, to the Australian industry, that has been, or may be, caused by that dumping is negligible and, therefore, has decided to terminate the investigation in accordance with subsection 269TDA(13) of the *Customs Act 1901*.

In making the decision to terminate, the Delegate of the CEO has regard to the application, submissions from interested parties, the statement of essential facts no. 179 (SEF 179), submissions in response to SEF 179, a report of the Trade Measures Review Officer, statement of essential facts no. 179A, submissions in response to SEF 179A and other relevant information.

Termination Report no. 179A, which sets out reasons for the termination decision, including the material findings of fact or law upon which the decision is based, has been placed on Customs and Border Protection's public record, available at <http://www.customs.gov.au/anti-dumping/cases.asp>. Alternatively, the public record may be examined at Customs House by contacting the case manager using the contact details provided below.

The applicants may request a review of the delegate's decision to terminate the investigation by lodging an application with the TMRO in the approved form and manner within 30 days of the publication of the public notice.

Enquiries about this notice may be directed to the case manager on telephone number 02 6275 5649, fax number 02 6275 6990 or [itrops2@customs.gov.au](mailto:itrops2@customs.gov.au).
