Dear Mr King

Investigation No. 341 – Investigation into alleged dumping and subsidisation of A4 Copy Paper exported from Brazil, China, Indonesia and Thailand – revised briefing paper of Australian Paper

Double A (1991) Public Company Limited

The revised briefing paper submitted by Australian Paper (**the Revised Briefing Paper**) still does not provide sufficient information to allow Double A (1991) to properly respond to it.

If Australian Paper is unable to provide Double A with a complete (unredacted) version of the Revised Briefing Paper, we respectfully submit that the Commission should disregard it, on the basis that it contains assertions that are potentially prejudicial to Double A, to which Double A has not been given a fair opportunity to respond.

Yours sincerely

For and on behalf of
Double A (1991) Public Company Limited

Mr. Thirawit Leetavorn
Senior Executive Vice President
