

ANTI-DUMPING NOTICE NO. 2015/47

Rod in coils

Exported from the Republic of Indonesia, Taiwan and the Republic of Turkey

Extension of time granted to issue the final report to the Parliamentary Secretary

Customs Act 1901 – Part XVB

On 10 April 2014, the Anti-Dumping Commission (the Commission) published a notice announcing the initiation of an investigation into the alleged dumping of rod in coils exported to Australia from the Republic of Indonesia, Taiwan and the Republic of Turkey.

A full description of the goods is available in Anti-Dumping Notice (ADN) No. 2014/27, available on the internet at www.adcommission.gov.au.

Statement of Essential Facts No. 240 (SEF 240) for the investigation was published on 2 March 2015, and the final report to the Parliamentary Secretary to the Minister for Industry and Science (the Parliamentary Secretary) was due on 15 April 2015. The final report will set out the reasons, including the material findings of fact, which form the basis of my recommendations to the Parliamentary Secretary in relation to the investigation.

A number of submissions have been received from interested parties requesting the Commission to undertake further consideration of its findings set out in SEF 240. Accordingly, to enable me to undertake this analysis I requested an extension of the deadline for providing the final report to the Parliamentary Secretary under subsection 269ZHI(1)(b) of the *Customs Act 1901* (the Act).

The Parliamentary Secretary has, under subsection 269ZHI(3) of the Act, further extended the deadline by 20 business days. The final report is now due to the Parliamentary Secretary no later than 13 May 2015.

Documents included in the public record may be examined at the Commission's office by contacting the case manager on the details provided below. Alternatively, the public record is available at www.adcommission.gov.au.
