

Customs Act 1901 – Part XVB

ANTI-DUMPING NOTICE NO. 2017/19

Certain Steel Shelving Units

Exported from the People's Republic of China

Termination of Investigation

Public notice under subsection 269TDA(15) of the Customs Act 1901

On 4 July 2016, I, Dale Seymour, the Commissioner of the Anti-Dumping Commission, initiated an investigation into the alleged dumping and countervailable subsidisation of certain steel shelving units (the goods) exported to Australia from the People's Republic of China (China), following an application lodged by Summit Select Pty Ltd (the applicant) under subsection 269TB(1) of the *Customs Act 1901* (the Act).

Public notice of my decision to not reject the application and to initiate the investigation was published on the Anti-Dumping Commission's (Commission's) website on 4 July 2016. The Anti-Dumping Notice (ADN No. 2016/65) is available at www.adcommission.gov.au.

As a result of the investigation, I am satisfied that:

- in relation to:
 - Eastern Deer Hardware and Plastics (China) Co., Ltd;
 - Geelong Holdings Limited;
 - Zhongshan City Dongsheng Town Ruisheng Hardware Products Factory;
 - Zhongshan City Xiaolan Town Yijin Hardware Plastic Electrical Appliance Factory; and
 - Jiaxing Zhongda Metalwork Co., Ltd;

there has been no dumping by those exporters of any of the goods and, therefore, I have terminated the dumping investigation in accordance with subsection 269TDA(1)(b)(i) of the Act so far as it relates to those exporters;

- in relation to:
 - Eastern Deer Hardware and Plastics (China) Co. Ltd;
 - Ningbo Junmao Environmental Protection Equipment Co., Ltd;

- Zhongshan City Dongsheng Town Ruisheng Hardware Products Factory; and
- Zhongshan City Xiaolan Town Yijin Hardware Plastic Electrical Appliance Factory;

no countervailable subsidy has been received in respect of any of the goods and therefore, I have terminated the countervailable subsidy investigation in accordance with subsection 269TDA(2)(b)(i) of the Act so far as it relates to those exporters;

- in relation to:

- Geelong Holdings Limited;
- Guangdong Guanyu Metal Products Co., Ltd.;
- Jiaxing Zhongda Metalwork Co., Ltd.;

countervailable subsidies have been received in respect of some of the goods, but the subsidies never, at any time during the investigation period, exceeded the negligible level of countervailable subsidy under subsection 269TDA(16)(b) of the Act and, therefore, I have terminated the countervailable subsidy investigation in accordance with subsection 269TDA(2)(b)(ii) of the Act so far as it relates to those exporters.

I am satisfied that, in relation to the exports of the goods the subject of the application for the dumping duty notice (other than exports of the goods by those exporters in relation to which I have terminated the dumping investigation under subsection 269TDA(1) of the Act), the injury, if any, to the Australian industry, that has been, or may be caused by those exports is negligible; and therefore, I have terminated the dumping investigation in accordance with subsection 269TDA(13) of the Act so far as it relates to China.

I am satisfied that, in relation to the exports of the goods the subject of the application for the countervailing duty notice (other than exports of the goods by those exporters in relation to which I have terminated the countervailable subsidy investigation under subsection 269TDA(2) of the Act), the injury, if any, to the Australian industry, that has been, or may be caused by those exports is negligible; and therefore, I have terminated the countervailable subsidy investigation in accordance with subsection 269TDA(14) of the Act so far as it relates to China.

In making these decisions to terminate, I have had regard to the application, submissions from interested parties, *Statement of Essential Facts No. 355* and submissions in response to *Statement of Essential Facts No. 355*.

Termination Report No. 355, which sets out my reasons for these termination decisions, including the material findings of fact or law upon which the decisions are based, has been placed on the public record which can be found on the Commission's website at www.adcommission.gov.au.

The applicant may request a review of these decisions to terminate the investigation by lodging an application with the Anti-Dumping Review Panel in the approved form and manner within 30 days after the first publication of this notice.
