Dear Andrea

Re: Anti-Dumping Investigation No. 238 –Deep Drawn Stainless Steel Sinks Exported from China

We confirm we act for an importer of stainless steel sinks, being Tom Stoddart Pty Ltd trading as Stoddart Manufacturing.

If you recall we filed a submission on behalf of our client on 5 May 2014. The submission focused on the products that our client imports comprising cleaner's sinks and hand wash basins which are not manufactured by the Applicant, Tasman Sinks Pty Ltd.

The purpose of this letter is to advise the Commission that our client is intending to apply for Tariff Concession Orders in relation to its products and will be pursuing an exemption from dumping duties based upon the wording of the TCOs rather than any broader description or basis inferred from Stoddart's submission of 5 May 2014.

Yours faithfully
