**Subject:** Agenda for meeting tomorrow

Hello John, Tom

We look forward to meeting you tomorrow . Key issues we want to discuss tomorrow are...

1. Selection of comparable products and normal value calculation
2. Market situation
3. Verification of report – Questions ( La Doria and Feger )

If time permits would like to have a chat about the approach on the duties as well .

I have booked the meeting from 10am – 1pm

Thanks and regards
