Dear Sir,

REVOCATION REVIEW – GREYBACK CARTONBOARD FROM KOREA

We note that Amcor Packaging (Australia) Pty Ltd (“Amcor Packaging”) has informed Customs by letter of 25 June 2013 that –

- Amcor Packaging is the sole Australian manufacturer of Greyback cartonboard at its Petrie manufacturing facility;
- the Petrie Mill is scheduled to cease manufacture of greyback cartonboard by October 2013;
- imports made in the lead up to the closure of Amcor Packaging’s Petrie Mill are likely to be non-injurious to Amcor Packaging; and
- Amcor Packaging supports the revocation of the anti-dumping measures on greyback cartonboard exported from Korea with effect from 1 July 2013.

Because the sole Australian manufacturer of the subject goods, Amcor Packaging, has confirmed that it will cease manufacture by October 2013, that imports made in the lead up to this cessation of manufacture will be non-injurious and that it supports revocation of the subject anti-dumping measures with effect from 1 July 2013, we submit that there should be immediate revocation of these measures.

Yours faithfully,

.....
