

POWER TRANSFORMERS EXPORTED FROM THE PEOPLE'S REPUBLIC OF CHINA, THE REPUBLIC OF INDONESIA, THE REPUBLIC OF KOREA, TAIWAN, THAILAND AND THE SOCIALIST REPUBLIC OF VIETNAM

MEETING WITH MOULIS LEGAL, 30 OCTOBER 2014

Present:

Moulis Legal	
Daniel Moulis	Principal
Sam Kreitals	Paralegal
Anti-Dumping Commission (Commission)	
Geoff Gleeson	Director, Operations 1
Chris Vincent	Manager, Operations 1
Joe Crowley	Supervisor, Operations 1

The Commission met with Moulis Legal to clarify information provided to the Commission by ABB Thailand and ABB Vietnam. The following matters relating to the proposed alternative approach to calculating dumping margins were discussed:

- procedural fairness;
- clarification of the "full cost modelling" information already provided by ABB Thailand and ABB Vietnam;
- using final quotation costs versus actual costs; and
- using export price/CTMS ratios to assess whether "export prices differ significantly".
