

ANTI-DUMPING NOTICE NO. 2015/11

Certain Aluminium Extrusions

Exported from the People's Republic of China

Expiry of anti-dumping measures and countervailing measures

I, Dale Seymour, Commissioner of the Anti-Dumping Commission, in accordance with subsection 269ZHB(1) of the *Customs Act 1901* (the Act), advise that the anti-dumping and countervailing measures (herein referred to as anti-dumping measures) on certain aluminium extrusions exported to Australia from the People's Republic of China (China) are due to expire on 28 October 2015.

The measures were initially imposed by public notice on 28 October 2010 by the then Attorney-General following consideration of *Anti-Dumping Commission Report No. 148*.

Those persons as specified at paragraph 269ZHB(1)(b) of the Act are invited to apply to the Anti-Dumping Commission (the Commission) for the continuation of the anti-dumping measures. The application must be in writing, be in an approved form, contain such information that the form requires and be signed in the manner indicated in the form.

A notice advising the expiry of these anti-dumping measures was published in *The Australian* newspaper on 27 January 2015. Applications must be lodged by 28 March 2015.

The application must provide evidence addressing whether there appear to be reasonable grounds for asserting that the expiration of the anti-dumping measures to which the application relates might lead, or might be likely to lead, to a continuation of, or a recurrence of, the material injury that the measures are intended to prevent.

If an application is received that complies with the prescribed requirements and I decide not to reject that application, the Commission will undertake an inquiry and I will report to the Minister for Industry and Science (the Minister) within 155 days (or by such later date as the Minister may allow in accordance with section 269ZHI of the Act). The Commission will publish a notice advising the commencement of such an inquiry.

If no application is received by the Commission within the period specified above, the anti-dumping measures applying to certain aluminium extrusions exported from China will expire on 28 October 2015. Therefore on and from 29 October 2015 anti-dumping measures would no longer apply.

Copies of the approved application form and the accompanying guidelines are available on the internet at www.adcommission.gov.au. Enquiries about this notice should be made to the Commission on telephone 1300 884 159 or +61 2 6275 6066 (outside Australia), facsimile 1300 882 506 or +61 2 6275 6888 (outside Australia) or email at clientsupport@adcommission.gov.au.
