

ANTI-DUMPING NOTICE NO. 2016/75

Customs Act 1901 – Part XVB

Aluminium Road Wheels

Exported from the People's Republic of China

Expiry of anti-dumping measures

Notice under subsection 269ZHB(1) of the Customs Act 1901

I, Dale Seymour, Commissioner of the Anti-Dumping Commission, in accordance with subsection 269ZHB(1) of the *Customs Act 1901* (the Act), advise that the anti-dumping measures on aluminium road wheels exported to Australia from the People's Republic of China (China) are due to expire.

The anti-dumping measures were initially imposed by a dumping duty notice and a countervailing duty notice on 5 July 2012 by the then Minister for Home Affairs following consideration of *International Trade Remedies Report No. 181*. The dumping duty notice and the countervailing duty notice is due to expire on 4 July 2017.

Those persons as specified in paragraph 269ZHB(1)(b) of the Act are invited to apply for the continuation of the anti-dumping measures. The application must be in writing, be in the form I have approved for the purposes of section 269ZHC, contain such information that the form requires, be signed in the manner indicated in the form and be lodged in the manner approved under section 269SMS. Applications must be lodged by 6 October 2016.

The application must provide evidence addressing whether there appear to be reasonable grounds for asserting that the expiration of the anti-dumping measures to which the application relates might lead, or might be likely to lead, to a continuation of, or a recurrence of, the material injury that the measures are intended to prevent.

If an application for the continuation of anti-dumping measures is received that complies with the prescribed requirements and I decide not to reject that application, I will undertake an inquiry and report my recommendation to the Assistant Minister for Industry, Innovation and Science and the Parliamentary Secretary to the Minister for Industry, Innovation and Science (the Parliamentary Secretary)¹ within 155 days (or by such later date as the Parliamentary Secretary may allow in accordance with section 269ZHI of the Act). I will publish a notice advising the commencement of such an inquiry.

¹ The Minister for Industry, Innovation and Science has delegated responsibility with respect to anti-dumping matters to the Parliamentary Secretary, and accordingly, the Parliamentary Secretary is the relevant decision maker. On 19 July 2016, the Prime Minister appointed the Parliamentary Secretary to the Minister for Industry, Innovation and Science as the Assistant Minister for Industry, Innovation and Science.

If no application is received within the period specified above, the anti-dumping measures applying to aluminium road wheels exported to Australia from China will expire on 4 July 2017. Therefore on and from 5 July 2017 anti-dumping measures would no longer apply.

Copies of the approved application form and the accompanying guidelines are available at www.adcommission.gov.au. Enquiries about this notice should be made to business.gov.au on telephone 13 28 46 or +61 2 6213 6000 (outside Australia) or email clientsupport@adcommission.gov.au.
