## **ANTI-DUMPING NOTICE NO. 2018/09**

*Customs Act 1901 – Part XVB*

### **Processed Dried Currants**

### **Exported from Greece**

### **Expiry of anti-dumping measures**

#### ***Notice under subsection 269ZHB(1) of the Customs Act 1901***

I, Dale Seymour, the Commissioner of the Anti-Dumping Commission, in accordance with subsection 269ZHB(1) of the *Customs Act 1901* (the Act),<sup>1</sup> advise that the anti-dumping measures on processed dried currants exported to Australia from Greece are due to expire.

The anti-dumping measures were initially imposed by public notice (a dumping duty notice) on 14 January 2009 by the then Minister for Home Affairs following consideration of the *Trade Measures Report No. 140*. On 6 January 2014, the anti-dumping measures were continued by the then Parliamentary Secretary to the Minister for Industry, who accepted the recommendations in *Anti-Dumping Commission Report No. 213*. The dumping duty notice is due to expire on 14 January 2019.

Those persons as specified in subsection 269ZHB(1)(b) of the Act are invited to apply for the continuation of the anti-dumping measures. The application must be in writing, be in the form I have approved for the purposes of section 269ZHC, contain such information that the form requires, be signed in the manner indicated in the form, and be lodged in the manner approved under section 269SMS. Applications must be lodged by 26 March 2018.

The application must provide evidence addressing whether there appear to be reasonable grounds for asserting that the expiration of the anti-dumping measures to which the application relates might lead, or might be likely to lead, to a continuation of, or a recurrence of, the material injury that the measures are intended to prevent.

If an application is received that complies with the prescribed requirements and I decide not to reject that application, I will publish a notice on the Anti-Dumping Commission's website indicating that it is proposed to inquire whether continuation of the measures is justified. I will undertake an inquiry and report my recommendation to the Assistant Minister for Science, Jobs and Innovation and Parliamentary Secretary to the Minister for Jobs and Innovation (the Parliamentary Secretary)<sup>2</sup> within 155 days of publication of the notice advising the commencement of the inquiry (or such longer period as may be allowed in accordance with section 269ZHI of the Act).

<sup>1</sup> All legislative references in this notice are to the *Customs Act 1901*.

<sup>2</sup> On 20 December 2017, the Prime Minister appointed the Parliamentary Secretary to the Minister for Jobs and Innovation as the Assistant Minister for Science, Jobs and Innovation. For the purposes of this notice the Minister is the Parliamentary Secretary to the Minister for Jobs and Innovation.

If no application is received within the period specified above, the anti-dumping measures applying to processed dried currants exported to Australia from Greece will expire on 14 January 2019. Therefore on and from 15 January 2019 anti-dumping measures would no longer apply.

Copies of the approved application form and the accompanying guidelines are available at [www.adcommission.gov.au](http://www.adcommission.gov.au). Enquiries about this notice should be made to [business.gov.au](mailto:business.gov.au) on telephone 13 28 46 or +61 2 6213 6000 (outside Australia) or email [clientsupport@adcommission.gov.au](mailto:clientsupport@adcommission.gov.au).
