- 4. The application must include a detailed statement setting out reasons for seeking continuation of the anti-dumping measure. Applicants must provide evidence addressing whether, in the absence of measures, dumped or subsidised imports would cause material injury to the local industry producing like goods. Applicants should refer to the “Guidelines for Preparing an Application for Continuation of Measures” for assistance.**

Please refer Attachment A.

- 5. The applicant must provide details of the current anti-dumping measure(s) the subject of this continuation application, including:**
- **tariff classification**
 - **the countries or companies**
 - **specified date of publication of the measure**

Tariff Classification

The goods the subject of the anti-dumping measures is Steel Pallet Racking, or parts thereof, assembled or unassembled, of dimensions that can be adjusted as required (with or without locking tabs and/or slots, and/or bolted or clamped connections), including any of the following:

- beams;
- uprights (up to 12m); and
- brace (with or without nuts and bolts).

The goods are classified within tariff sub-heading 7309.90.00 (statistical code 58).

Countries/companies the subject of the measures

The current anti-dumping measures, in the form of the below referenced Dumping Duty Notice, apply to Steel Pallet Racking exported to Australia from China, and Malaysia.

Dematic seeks continuation of the measures as they apply to all exporters of the goods exported to Australia from China and Malaysia.

Period of Review

The applicant for this review nominates a review period of twelve months ending 31 December 2022 (**CY2022**).

Date of publication of the measures

The relevant *Dumping Duty Notice* is ADN No. 2019/45, published 6 May 2019.

Provision of data

Industry financial data must, wherever possible, be submitted in an electronic format.

- The data should be submitted on a media format compatible with Microsoft Windows.
- Microsoft Excel, or an Excel compatible format, is required.
- If the data cannot be presented electronically please contact the Commission's client support section for advice.

Lodgement of the application

This application, together with the supporting evidence, must be lodged in the manner approved by the Commissioner under subsection 269SMS(2) of the Act. The Commissioner has approved lodgement of this application by either:

- preferably, email, using the email address clientsupport@adcommission.gov.au, or

- post to:

The Commissioner of the Anti-Dumping Commission
GPO Box 2013
Canberra ACT 2601, or

- facsimile, using the number (03) 8539 2499.

Public Record

During an investigation all interested parties are given the opportunity to defend their interests, by making a submission. The Commission maintains a

public record of these submissions. The public record is available on the Commission's website at www.adcommission.gov.au.

At the time of making the application both a confidential version (for official use only) and non-confidential version (public record) of the application must be submitted. Please ensure each page of the application is clearly marked "FOR OFFICIAL USE ONLY" or "PUBLIC RECORD". The non-confidential application should enable a reasonable understanding of the substance of the information submitted in confidence. If you cannot provide a non-confidential version, contact the Commission's client support section for advice.
