

ANTI-DUMPING NOTICE NO. 2024/003

Customs Act 1901 – Part XVB

Wind Towers Exported to Australia from the People's Republic of China Findings of Continuation Inquiry No 621

Notice under section 269ZHG(1) of the Customs Act 1901

The Commissioner of the Anti-Dumping Commission (the Commissioner) has completed an inquiry into whether the continuation of the anti-dumping measures applying to certain utility scale wind towers exported from the People's Republic of China (China) to Australia (the measures) are justified. The inquiry commenced on 12 May 2023.

The measures are in the form of a dumping duty notice applying to all exporters from China except Shanghai Taisheng Wind Power Equipment Co. Ltd.

The Commissioner's recommendations resulting from that inquiry, reasons for the recommendations, and material findings of fact and law in relation to the inquiry are contained in *Anti-Dumping Commission Report No. 621 (REP 621)*.

I, ED HUSIC, Minister for Industry and Science, have considered REP 621 and have decided to accept the recommendation and reasons for the recommendation, including all the material findings of fact and law set out in REP 621.

Under section 269ZHG(1)(a) of the Customs Act 1901 (the Act), I **declare** that I have decided not to secure the continuation of the measures. The measures will expire on **16 April 2024**.

Interested parties may seek a review of this decision by lodging an application with the Anti-Dumping Review Panel (www.adreviewpanel.gov.au), in accordance with the requirements in Division 9 of Part XVB of the Act, within 30 days of the publication of this notice.

REP 621 has been placed on the public record, available at www.adcommission.gov.au
