## **ANTI-DUMPING NOTICE NO 2024/068**

### **Food Service and Industrial (FSI) Pineapple Exported to Australia from the Republic of Indonesia and the Kingdom of Thailand**

#### **Termination of part of Investigation No 628**

##### ***Public notice under section 269TDA(15) of the Customs Act 1901***

On 4 August 2023, the Commissioner of the Anti-Dumping Commission (Commissioner)<sup>1</sup>, initiated an investigation into the alleged dumping of FSI pineapple (the goods) exported to Australia from the Republic of Indonesia (Indonesia) and the Kingdom of Thailand (Thailand). This followed the consideration of an application lodged by Golden Circle Limited (the applicant) under section 269TB(1) of the *Customs Act 1901* (the Act).

Public notice of the Commissioner's decision to not reject the application and to initiate the investigation was published on the Anti-Dumping Commission's (commission) website on 4 August 2023. The Anti-Dumping Notice is available at [www.adcommission.gov.au](http://www.adcommission.gov.au).

As a result of the commission's investigation, I Isolde Lueckenhausen, Acting Commissioner:

- am satisfied that, in relation to PT Great Giant Pineapple (GGP), some of the goods exported have been dumped, but the dumping margin is less than two per cent and, therefore, have terminated the investigation in accordance with section 269TDA(1)(b)(ii) of the Act so far as it relates to the exporter, and
- am satisfied that the total volume of goods that have been exported to Australia over a reasonable examination period from Indonesia that have been dumped is negligible and, therefore, have terminated the investigation so far as it relates to Indonesia in accordance with section 269TDA(3)(b) of the Act.

This terminates the investigation in part with respect to exports of the goods by GGP and from Indonesia only.
