# Anti-Dumping Commission

## Investigation 654

### Tomatoes, prepared or preserved

### Exported to Australia from the Italian Republic

### FILE NOTE

### Meeting with the European Commission and the Government of Italy

The Anti-Dumping Commission (**commission**) met with representatives from the European Commission (**EC**) and the Government of Italy (**GOI**) on 31 October 2024.

Both the EC and the GOI discussed their concerns with the scope of the subsidy investigation being conducted by the commission in respect of prepared or preserved tomatoes exported from Italy.

Following the meeting, the EC and the GOI each provided a submission to the commission reiterating their concerns, which the commission has published on the electronic public record for this case, at Items 6 and 7 respectively.
