THE RONDO WARRANTY

Rondo has received enquiries regarding the Rondo Warranty and the warranties available to customers under the Australian Consumer Law.

Rondo's products are guaranteed by the Rondo Warranty, which provides Rondo's customers with protections and benefits which are in addition to the warranties and guarantees available to customers under Australian Consumer Law. Subject to the exclusions specified in the Rondo Warranty, if customers use non-Rondo components with Rondo products the Rondo Warranty still applies but only in relation to the Rondo manufactured products. Full terms and conditions of the Rondo Warranty can be viewed here: https://www.rondo.com.au/images/PDFs/warranties/AUS_warranty_2018.pdf
