### **Ceiling steel framing members**

#### **Exported to Australia from The People's Republic of China**

Notice pursuant to sections 8(5), 8(5B), 8(5BA), 8(5BAA), 8(5BAAA) and 8(5BB) of the *Customs Tariff (Anti-Dumping) Act 1975*

I, TIM AYRES, Minister for Industry and Innovation and Minister for Science (the Minister), decided to issue a notice (the notice) pursuant to sections 269TG(1) and 269TG(2) of the *Customs Act 1901* (the Act) in respect ceiling steel framing members (the goods described in that notice (the goods)) exported to Australia from the People's Republic of China.

Consequently, I DETERMINE, pursuant to section 8(5) of the *Customs Tariff (Anti-Dumping) Act 1975* (the Dumping Duty Act), that the interim dumping duty (IDD) payable on the goods is an amount worked out in accordance with the *ad valorem duty method*, specified in sub-regulation 5(7) of the *Customs Tariff (Anti-Dumping) Regulation 2013*.

Pursuant to section 8(5BA) of the Dumping Duty Act, I have had regard to the desirability of specifying a method such that the sum of:

- (i) the export price of goods of that kind as so ascertained or last ascertained; and
- (ii) the IDD payable on the goods; and
- (iii) the interim countervailing duty (ICD) payable under section 10 of the Dumping Duty Act on goods the subject of the notice under section 269TJ of the Act;

does not exceed the non-injurious price of goods of that kind as ascertained, or last ascertained, for the purpose of those notices.

I have specified a method such that the sum of the ascertained export price of the goods and the IDD and ICD payable on those goods does not exceed the non-injurious price.

This notice applies to the goods and like goods entered for home consumption as per my declaration in the dumping duty notice.<sup>1</sup>
