Chinese version (original)

The screenshot shows the Chinese version of the State Taxation Administration website. The header includes the logo and name of the State Taxation Administration, a search bar, and navigation links. The main content area is titled "出口退税率查询" (Export Tax Rebate Rate Inquiry). It features a form with two input fields: "商品代码:" (Product Code) and "商品名称:" (Product Name), with "钛矿" (Titanium ore) entered in the second field. Below the form are "提交" (Submit) and "重置" (Reset) buttons. An example is provided: "例如 商品名称: 改良种用濒危野马, 商品代码: 0101210010". The search results are displayed in a table with columns for "商品编码" (Product Code), "商品名称" (Product Name), "计量单位" (Unit of Measurement), "征税税率%" (Tax Rate %), and "增值税退税率%" (VAT Refund Rate %). The results show a product code of 26140000, product name "钛矿砂及其精矿" (Titanium ore and its concentrate), unit "千克" (kilogram), tax rate of 13%, and a VAT refund rate of 0.0%. Navigation controls for the results are also visible.

Non official English version

The screenshot shows the non-official English version of the State Taxation Administration website. The header includes the logo and name of the State Taxation Administration, a search bar, and navigation links. The main content area is titled "Export tax rebate rate inquiry". It features a form with two input fields: "Product code:" and "product name:", with "钛矿" (Titanium ore) entered in the second field. Below the form are "submit" and "reset" buttons. An example is provided: "For example, product name: Endangered wild horses for improved breeding, product code: 0101210010". The search results are displayed in a table with columns for "Product code", "product name", "unit of measurement", "Tax rate %", and "VAT refund rate %". The results show a product code of 26140000, product name "Titanium ore and its concentrate", unit "kilogram", tax rate of 13%, and a VAT refund rate of 0.0%. Navigation controls for the results are also visible.
