

ANTI-DUMPING NOTICE NO 2026/051

Customs Act 1901 – Part XVB

Findings of Continuation Inquiry No 683 into anti-dumping measures applying to surface finished aluminium extrusions

Exported from Malaysia by Kamco, LB Aluminium, Milleon and Superb Aluminium

Public notice under section 269ZHG(1) of the Customs Act 1901 and public notice under section 8(5) of the Customs Tariff (Anti-Dumping) Act 1975

The Commissioner of the Anti-Dumping Commission (the Commissioner) has completed an inquiry, which commenced on 26 June 2025, into whether the continuation of the anti-dumping measures applying to surface finished aluminium extrusions exported to Australia from Malaysia by Kamco Aluminium Sdn Bhd (Kamco), LB Aluminium Bhd (LB Aluminium), Milleon Extruder Sdn Bhd (Milleon) and Superb Aluminium Industries Sdn Bhd (Superb Aluminium)¹ is justified.

The Commissioner's recommendations resulting from the inquiry, reasons for the recommendations, and material findings of fact and law in relation to the inquiry are contained in *Anti-Dumping Commission Report No 683* (REP 683).

I, TIM AYRES, the Minister for Industry and Innovation and Minister for Science, have considered REP 683 and have decided to accept the recommendations and reasons for the recommendations, including all the material findings of facts and law therein.

Under section 269ZHG(1)(b) of the *Customs Act 1901* (the Act), I declare that I have decided to secure the continuation of the anti-dumping measures, in the form of a dumping duty notice, currently applying to surface finished aluminium extrusions exported to Australia from Malaysia by Kamco, LB Aluminium, Milleon and Superb Aluminium.

I determine that:

- pursuant to section 269ZHG(4)(a)(ii) of the Act, the notice continues in force after 2 June 2026 but, after that day, ceases to apply in relation to Kamco and Superb Aluminium, and
- pursuant to section 269ZHG(4)(a)(iii) of the Act, the notice continues in force after 2 June 2026 but, after that day, has effect as if different specified variable factors had been fixed in relation to LB Aluminium and Milleon.

¹ Superb Aluminium Industries Sdn Bhd changed its legal name to "Superb Aluminium Sdn Bhd" on 24 January 2025.

In accordance with section 8(5) of the *Customs Tariff (Anti-Dumping) Act 1975*, the interim dumping duty payable on surface finished aluminium extrusions exported to Australia from Malaysia by LB Aluminium and Milleon is an amount worked out in accordance with the floor price duty method pursuant to sections 5(4) and 5(5) of the *Customs Tariff (Anti-Dumping) Regulation 2013*.

Particulars of the effective rates of interim dumping duty applicable to exports of surface finished extrusions are set out in the following table.

Exporter	Duty method	Fixed rate of interim dumping duty
LB Aluminium	Floor price	0%
Milleon	Floor price	0%
