Customs Act 1901 (Cth) – Part XVB

Consumer Pineapple

Exported from the Republic of the Philippines

Expiry of anti-dumping measures

Customs Act 1901 – Part XVB

Notice under subsection 269ZHB(1) of the *Customs Act 1901 (Cth)*

I, David Latina, Commissioner of the Anti-Dumping Commission, in accordance with subsection 269ZHB(1) of the *Customs Act 1901 (Cth)* (the Act),¹ advise that the anti-dumping measures (the measures) on Consumer Pineapple (the goods), exported to Australia from the Republic of the Philippines, are due to **expire on 27 September 2027**.

The measures were initially imposed by public notice in the form of a dumping duty notice on 10 October 2006 by the then Minister for Justice and Customs, following consideration of *Trade Measures Report No.112*.²

The measures were last continued in 2022 (year that measures were continued) following consideration of *Anti-Dumping Review Panel Report No 144* by then Minister for Industry and Science.³

Those persons specified in section 269ZHB(1)(b) of the Act are invited to apply for a continuation of the measures. The application must be in writing, be in the form approved by the Commissioner for the purposes of section 269ZHC, contain such information that the form requires, be signed in the manner indicated in the form, and be lodged in the manner approved under section 269SMS. **Applications must be lodged by 5:00pm (AEST or AEDST) 25 September 2026.**

¹ All legislative references in this notice are to the *Customs Act 1901 (Cth)*.

² Further details of the measures can be found on the Dumping Commodity Register and the Anti-Dumping Commission's website.

³ See Notice under s 269ZZM(4) of the Act published 27 September 2002 for ADRP Review 144. Further details of the measures can be found on the Dumping Commodity Register and the Anti-Dumping Review Panel website.

The application must provide evidence addressing whether there appear to be reasonable grounds for asserting that the expiration of the measures to which the application relates might lead, or might be likely to lead, to a continuation of, or a recurrence of, the material injury that the measures are intended to prevent.⁴

If an application is received that complies with the prescribed requirements and I decide not to reject that application, I will publish a notice on the Anti-Dumping Commission's website indicating that it is proposed to inquire whether continuation of the measures is justified. I will undertake an inquiry and report my recommendation to the Minister for Industry and Innovation and Minister for Science within 155 days of publication of the notice advising commencement of the inquiry (or such longer period as allowed in accordance with section 269ZHI of the Act).

If no application is received by 25 September 2026, the measures applying to the goods, exported to Australia from Republic of the Philippines, will expire on 27 September 2027. Therefore, on and from **28 September 2027**, the measures would no longer apply.

Copies of the approved application form and the accompanying guidelines are available at <https://www.industry.gov.au/anti-dumping-commission>. Enquiries about this notice should be made to www.business.gov.au by phone on 13 28 46 or +61 2 6213 6000 (outside Australia) or by email at clientsupport@adcommission.gov.au.
